

## ESMA updates its CFI validations related to the reporting for the FIRDS reference data under MiFIR

17 October 2022

The CNMV informs about ESMA's recent publication regarding the update of the CFI validation rules relevant for the reporting of the instrument reference data (FIRDS) under MiFIR.

The updated CFI based validation rules will be applicable as of **6 February 2023**.

The updated document could be reached through the following link:
