REVENUE TREND

Residential Alarms Conetections

Spain Rest of Europe Latam Total

RESIDENTIAL ALARMS

IBERIA growing at high levels but affected in 2002 by competition and consumption reduction

Spain

Revenues below budget mainly due to price installation pressures from competition

Revenues coming from base clients growing at budget levels

Number of Connections growing at 30%

Portugal

Revenues slightly below budget but growing over 20%

Number of Connections lower than budget mainly due to a reduction in consumption expenditure

Latam

Figures affected by devaluation but better than budgeted in local currency

Increasing number of Connections despite the Argentinean crisis .
(Net new connections trend turning positive from 3Q)
