Warning

Warning concerning a fraud scheme misusing the name of the Luxembourg authorised bank Banque de Luxembourg

The CSSF draws the attention of the public to the fact that the name and logo of the duly authorised credit institution incorporated under Luxembourg law, Banque de Luxembourg, are fraudulently used on social media such as "facebook", in advertisements for online casinos which show fake wins via bank statements purportedly issued by the bank. Banque de Luxembourg has never issued these documents and is not related to these fraudulent websites.
