

Vueling Airlines, S.A. ("Vueling"), in compliance with article number 82 of Act 24/1988 from the 28th of July, of the Mercado de Valores, and through this written communication informs the Comisión Nacional del Mercado de Valores and to the public, of the following

SIGNIFICANT EVENT

Start of Connecting Operations

Vueling will begin sales of connecting flights through the Barcelona hub on the 1st of June 2010 from the majority of its markets. In addition, Vueling will begin flying this operation from the 5th of July of the same year.

Vueling hopes to obtain additional revenues derived from the additional passengers which today cannot connect with Vueling from multiple origin airports in Spain and the Mediterranean.

Even though will offer the typical services associated with this type of operation, Vueling will maintain its operational and commercial platforms without any significant changes.
