- (c) Any requests for redemption which have been carried forward from an earlier Dealing Day pursuant to paragraph (7)(b) of this Article shall (subject to the foregoing limits) be complied with on a pro rata basis with later requests on each subsequent Dealing Day until all of the Participating Shares to which the original request related have been redeemed.

- (9) Where redemption of Participating Shares is to be satisfied by an in specie distribution of Investments held by the Company, the Depositary shall transfer such Investments as the Manager, shall direct to the Shareholder as soon as practicable after the relevant Dealing Day. All costs and risks of such distribution shall be borne by such Shareholders.
- (10) Shares redeemed shall be deemed to cease to be in issue at the Close of Business on the relevant Dealing Day in respect of the redemption and such redeemed Shares shall be cancelled.

REDEMPTION PRICE

- 18. (1) The redemption of Participating Shares of any class shall be made at the Redemption Price per Participating Share of that class as adjusted, calculated by the Directors and being not more than the Subscription Price for a Participating Share of the same class calculated by reference to the same Dealing Day pursuant to Article 16 hereof and not less than a sum calculated in the following manner:
 - (a) ascertaining the Net Asset Value of the Fund to which the Participating Shares or, if relevant, that portion of the Fund to which Participating Shares of a particular type are attributable in either case, (the **“Appropriate Fund”**);
 - (b) dividing the aggregate of the amount calculated under 18(a) above by the number of Participating Shares of the relevant class then in issue; and

- (c) rounding the resulting amount to three decimal places.
- (d) The amount payable may be reduced by:
 - (i) deducting therefrom a redemption charge which shall be determined by the Directors but which shall not exceed 2% of the relevant Redemption Price (without taking into account such redemption charge). The Directors shall not increase the maximum charge relating to the redemption or repurchase of Participating Shares without prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders or such other majority as is specified herein. In the event of an increase in the redemption or repurchase charge a reasonable notification period shall be provided to enable Shareholders redeem their Participating Shares prior to the implementation of the increase.
 - (ii) at the discretion of Directors in the case of any one or more redeeming Shareholder, deducting therefrom such sum as the Directors may consider appropriate to protect the interests of all Shareholders against dilution in value of the Appropriate Fund on account of the costs associated with the realisation of assets.
- (2) A swing-pricing mechanism to counter the dilution of a Fund's assets and protect Shareholders from the impact of transaction costs arising from subscription and redemption activity may also be employed by the Company and/or one or more Funds, the details of which will be set out in the Prospectus or applicable Supplement.
- (3) Upon the redemption of a Participating Share being effected pursuant to these Articles the Shareholder shall cease to be entitled to any rights in respect thereof and accordingly his name shall be removed from the Register with respect thereto and the Participating Share shall be cancelled and the amount of the Company's issued share capital shall be reduced accordingly. The Participating Share shall be available for re-issue and until re-issue shall form part of the unissued share capital of the Company.
- (4) Any redemption charge made pursuant to paragraph 18(1)(d)(i) of this Article shall be allowable by the Company to or for the benefit of the Manager or such of its agents as the Manager may direct and the Directors may differentiate between any Shareholders and between classes of Participating Shares as to the amount of such redemption charge within the permitted limit.
- (5) If on any Dealing Day falling after the first anniversary of the first issue of Participating Shares in a Fund the Net Asset Value of that Fund is less than €2,000,000 or the equivalent amount in the currency in which the relevant Fund is designated, the Company may by twenty-eight days notice to holders of Participating Shares of the class attributable to such Fund redeem on the Dealing Day nominated in such notice at the Redemption Price per Participating Share of the class concerned calculated in accordance with 18(1)

hereof all (but not some) of the Participating Shares of the class concerned not previously redeemed.

- (6) In the event of any redemption as set out in paragraph (4) of this Article taking place, the provisions of Article 17(b) and Article 16(4) shall apply as if such redemption had been made at the request of the holders of the Participating Shares in question.
- (7) With the sanction of a special resolution of the Shareholders of any Fund, the Directors may terminate such Fund and shall compulsorily redeem all (but not some) of the Participating Shares of that Fund at the relevant Redemption Price on the Dealing Day next following the passing of such special resolution or on such Dealing Day as the Directors may specify and notify to the Shareholders.
- (8) If all the Participating Shares of any class are to be redeemed or repurchased pursuant to Article 18(6) the Directors may, with the sanction of a special resolution of the holders of Participating Shares of that Fund, divide amongst the said holders in specie all or any part of the Assets of the relevant Fund. For the avoidance of doubt, if the Special Resolution above is passed, each said holder is entitled to elect on winding-up, whether or not he wishes to receive a distribution in specie or a cash distribution. In the absence of a holder of Participating Shares electing to receive a distribution in specie, such holder shall receive a cash distribution payment.
- (9) If any Participating Shares of any Fund are to be redeemed or repurchased as aforesaid and the whole or any part of the business or property of the Company attributable to the relevant Fund or any of the Assets of that Fund are proposed to be transferred or sold to another company or another Fund (hereinafter called "the Transferee") the Directors may, with the sanction of a Special Resolution of the holders of Participating Shares of that Fund conferring either a general authority on the Directors or an authority in respect of any particular arrangement receive in compensation or part compensation for the transfer or sale shares, units, policies or other like interest or property in or of the Transferee for distribution among the said holders, or may enter into any other arrangement whereby the said holders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee. For the purpose of the foregoing "company" shall include a unit trust scheme.

- (c) such that the status, standing or tax residence of the Company is or may be prejudiced or the Company may suffer any pecuniary disadvantage which it would not otherwise have suffered,

then the Company may give notice to such person requiring him to transfer such Participating Shares to a person who is qualified or entitled to own the same or give a request in writing for the redemption of such Participating Shares in accordance with Article 17(1). If any person upon whom such a notice is served pursuant to this paragraph does not within thirty days after service of such notice transfer his Participating Shares or give an irrevocable request in writing to redeem his Participating Shares or establish to the satisfaction of the Company (whose judgment shall be final and binding) that he is qualified, entitled and permitted to own the Participating Shares, he shall be deemed upon the expiration of thirty days to have given a request in writing for the redemption of all his Participating Shares pursuant to Article 17(1) whereupon he shall be bound forthwith to deliver to the Company (or its duly authorised agent) the Contract Note in respect of such Participating Shares or such other evidence as to title as the Directors may require.

- (2) A person who becomes aware that he is holding or owning Participating Shares within any of the categories referred to in paragraph (1) above shall forthwith unless he has already received a notice pursuant to paragraph (1) above either transfer all his Participating Shares to a person qualified or permitted to own the same or give a request in writing for the redemption of all his Participating Shares pursuant to Article 17(1).
- (3) The proceeds of any redemption effected pursuant to this Article will be deposited by the Company in a bank for payment to any such person against surrender of the Contract Note representing the Participating Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require. Upon the deposit of such proceeds of redemption as aforesaid, such person shall have no further interest in such Participating Shares or any claim against the Company in respect thereof except the right to receive the proceeds of redemption so deposited (without interest) upon surrender of the said Contract Note or other evidence as to title.
- (4) The exercise by the Company of the power conferred by this Article shall not be questioned or invalidated in any case on the ground that there was insufficient evidence of ownership of Participating Shares by any person or that the true ownership of any Participating Shares was otherwise than appeared to the Company at the relevant date provided the said powers shall have been exercised in good faith.
- (5) The Directors may at any time and from time to time call upon any holder of Participating Shares by notice in writing to provide the Directors with such information and evidence as they shall require upon any matter connected with or in relation to such holder of Participating Shares in order to satisfy themselves that Participating Shares are not owned directly or beneficially by any person:

- (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors; or
 - (c) such that the status, standing or tax residence of the Company is or may be prejudiced or the Company may suffer any pecuniary disadvantage which it would not otherwise have suffered as a result of that person continuing to own Participating Shares.
- (6) If such information and evidence is not so provided within a reasonable time (not being more than five days after service of the notice requiring the same) the Directors shall forthwith serve such holder of Participating Shares with a further notice calling upon him, within seven days after service of such further notice, to transfer his Participating Shares or to request the redemption of such Participating Shares in accordance with Article 17(1) and, failing action by him within such seven days to implement that notice, he shall be deemed to have given a request in writing for the redemption of all his Participating Shares in accordance with Article 17(1), whereupon he shall be bound forthwith to deliver to the Company or one of its duly authorised agents the Contract Note for his Participating Shares or such other evidence as to title as the Directors may require and until such time as the Contract Note or such other evidence as to title as the Directors may require as aforesaid is received by the Company or one of its duly authorised agents the proceeds of any such redemption shall be deposited by the Company in a bank in accordance with Article 19(c)(3) hereof.
- (7) If the Company becomes liable to account for tax in any jurisdiction in the event that a holder or beneficial owner of a Participating Share were to receive a distribution in respect of his/her Participating Shares or to dispose (or be deemed to have disposed) of his/her Participating Shares in any way (a “**Chargeable Event**”), the Directors or their agent shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily repurchase such number of Participating Shares held by the holder or such beneficial owner of the Participating Shares as are required to meet the amount of tax. The relevant holder of Participating Shares shall indemnify and keep the Company indemnified against loss arising to the Company by reason of the Company becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deduction, appropriation, cancellation or compulsory repurchase has been made.

- (9) Where a Shareholder converts from the Original Fund to the New Fund and the Participating Shares in the New Fund are designated as Shares of different types in accordance with Article 13(6), Participating Shares in the New Fund will be issued as Shares of the relevant type, as applicable (whether or not the Participating Shares in the Original Fund were designated as Shares of different types in accordance with Article 13(6)). Where the Participating Shares of the Original Fund are designated as Shares of different types in accordance with Article 13(6), and the Shareholder converts to a New Fund (the Participating Shares of which are not designated as Shares of different types in accordance with Article 13(6)) the Participating Shares will be issued of the single type in the New Fund.  - (d) Save as otherwise herein provided investments or assets listed, quoted or dealt in on a Recognised Market shall be valued at the Valuation Point or, if the Recognised Market on which such investment or asset is traded or admitted for trading (being the Recognised Market which is the sole, or in the opinion of the Directors, the principal, Recognised Market on which the investment in question is listed, quoted or dealt in) is closed at the Valuation Point, then such investments or assets will be valued at the last traded price at the close of the last regular trading session of that Recognised Market. If such dealing price for the assets is not representative in the sole opinion of the Directors of the value of the assets, the value will be the probable realisation value, estimated with care and in good faith by such competent person as may be appointed by the Directors and approved for the purpose by the Depositary;
 - (e) At any time when the dealing prices are not available in respect of assets listed, quoted or dealt in on a Recognised Market in each case on the Recognised Market on which these assets are traded or admitted for trading (being the Recognised Market which is the sole or in the opinion of the Directors the principal Recognised Market on which the investment in question is listed, quoted or dealt in), the value of the

assets will be the probable realisation value estimated with care and in good faith by such competent person as may be appointed by the Directors and approved for the purpose by the Depositary;

- (f) Any investments or assets not listed, quoted or dealt in on a Recognised Market shall, be valued at the probable realisation value as determined with care and in good faith by such competent persons as may be appointed by the Directors and approved for the purpose by the Depositary;
 - (g) Securities listed or traded on a Recognised Market but acquired or traded at a premium or at a discount outside or off the relevant market may be valued, taking into account the level of premium or discount at the date of the valuation. The Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the security;
 - (h) Cash shall be valued at face value (together with accrued interest to the relevant Valuation Date) unless, in the opinion of the Directors, any adjustment should be made to reflect the value thereof in the context of currency, marketability, dealing costs and/or such other considerations as are deemed relevant;
 - (i) The value of units or shares or other similar participation in any Collective Investment Scheme shall be valued at the latest bid price or the last available net asset value as published by the Collective Investment Scheme; and
 - (j) Notwithstanding the foregoing the Directors may permit some other method of valuation to be used for any particular asset if they consider that such valuation better reflects the fair value of that asset, such other method to be approved by the Depositary and the rationale/methodologies used are clearly documented.
- (6) Currencies or values in currencies other than in the currency of designation of a particular Fund shall unless the Directors determine otherwise be converted or translated at the rate which the Manager after consulting with or in accordance with, the method approved by the Depositary may consider appropriate having regard (inter alia) to any premium or discount which may be relevant and to costs of exchange into the currency of designation of that Fund.
- (7) For the purpose of valuing the Company's assets as aforesaid the Directors may rely upon the opinions of any person(s) who appear to them to be competent to value assets by reason of any appropriate professional qualification or of experience of any relevant market.
- (8) The liabilities of a Fund shall be deemed to include all liabilities (including charges incurred on the acquisition and realisation of investments and such operating expenses (referred to in 21(c) that the Directors consider to be attributable to a particular Fund, and such amount as the Directors determine

to provide in respect of contingent liabilities) of whatsoever kind and nature except liabilities represented by Participating Shares in the Company. In determining the amount of such liabilities the Directors may calculate any liabilities on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period. Where the Directors have created different types of Participating Shares within a Fund in accordance with Article 13(6) and have determined that each type will incur different levels of fees (the details of which shall be set out in the applicable Supplement for that Fund), the Administrator shall adjust the Net Asset Value per type in order to reflect such different levels of fees payable in respect of each type.

- (9) The Net Asset Value of each Fund calculated pursuant the Articles of Association, may be certified by a Director of the Company or by any other person authorised to give such certificate by the Directors and any such certificate shall be binding and conclusive as to the Net Asset Value of such Fund in the absence of manifest error.
- (10) Any increase or decrease in the Net Asset Value of each Fund is attributed to the different types of Participating Shares within each Fund based on their respective pro-rata closing Net Asset Values. The Net Asset Value attributed to each type is then divided by the number of Shares of the relevant type in issue to give the Net Asset Value per Share of each type of Share of that Fund.
- (11) Where different types of Participating Shares are created within a Fund and the Company wishes to employ financial derivative instruments at the level of each type of Share within a Fund, including, without limitation, for hedging purposes or to generate different participations, returns or capital protection in respect of each type, such transactions will be clearly attributable to a specific Share type and any costs and gains/losses of the transactions will accrue solely to the relevant type of Shares.

SUSPENSION OF ISSUES AND REALISATIONS

23. (1) The Directors may at any time declare a temporary suspension of issues, redemptions and conversions of Participating Shares or of any one or more classes of Participating Shares during:
 - (a) any period when any of the principal markets or stock exchanges on which a substantial part of the investments of the relevant Fund are quoted is closed, otherwise than for ordinary holidays, or during which dealings thereon are restricted or suspended;
 - (b) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial part of the investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of the Shareholders in the relevant Fund or if in the opinion of the Directors the Net Asset Value of the relevant Fund cannot be fairly calculated;

- (c) any breakdown in the means of communication normally employed in determining the value of the investments of the relevant Fund or when for any reason the current prices on any market of a substantial part of the investments of the relevant Fund cannot be promptly and accurately ascertained;
- (2) Any suspension shall take effect on the day on which the declaration is made and thereafter there shall be no issues, redemptions or conversions of Participating Shares of the class or classes concerned until the Directors shall declare the suspension to be at an end. The Directors shall during the period of any suspension review the reasons for the suspension and declare the suspension at an end as soon as they and the Depositary consider that the reasons or conditions giving rise to the suspension have ceased to exist and no other reasons or conditions on foot of which a suspension might be declared shall exist. Where possible, the Directors shall take all reasonable steps to bring any period of suspension to an end as soon as possible.
- (3) Any suspension shall be consistent with such official rules and regulations (if any) relating to the subject matter thereof as shall have been promulgated by any authority having jurisdiction over the Company and as shall be in effect at the time.
- (4) To the extent not inconsistent with such official rules and regulations, the determination of the Directors pursuant to Article 23(c)(2) shall be conclusive.
- (5) Forthwith after the commencement of any suspension the Directors shall immediately and in any event within the same Business Day notify in writing the Central Bank, the Irish Stock Exchange (for each class of Shares admitted to the Official List of the Irish Stock Exchange) and the competent authorities in the Member States in which the Company markets its Participating Shares that such a suspension has been made. As soon as may be practicable after the commencement of any suspension, the Directors shall if possible cause a notice to be placed in such publication(s) as the Company has caused Subscription Prices and Redemption Prices to be published in during the preceding six months stating that such suspension has been made, and at the end of any period of suspension the Directors shall cause another notice to be placed in such publication(s) stating that the period of suspension has ended.
- (6) Nothing herein shall prevent the Company, if the Directors (acting on the advice of the Manager) think fit, from agreeing, during the period of suspension, to issue or redeem or convert Participating Shares at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.
- (7) Issues, redemptions and conversions of Participating Shares which have been subject to a suspension shall take place after such suspension has been declared to be at an end at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.

CALLS ON SUBSCRIBER SHARES

24. The Directors may from time to time make calls upon any registered holder of Subscriber Shares in respect of any moneys unpaid on his Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Share shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each such registered holder shall (subject to being given at least fourteen days notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his Subscriber Shares. A call may be payable by instalments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
25. The Directors may, if they think fit, receive from any registered holder of Subscriber Shares willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Shares in respect of which it has been received.

MODIFICATION OF RIGHTS

26. Whenever the capital of the Company is divided into different classes of Participating Shares the special rights attached to any class may (unless otherwise provided by the terms of issue of the Participating Shares of that class) be varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up, with the consent in writing of the holders of three-fourths of the issued Participating Shares of the class, or with the sanction of a resolution passed at a separate meeting of the holders of the Participating Shares of the class by a majority of three-fourths of the votes cast at such a meeting, but not otherwise. To every such separate meeting all the provisions of the Acts and these Articles relating to the general meetings of the Company or to the proceedings thereat shall, *mutatis mutandis*, apply except that:
 - (a) the necessary quorum shall be two persons (except where there are less than two Participating Shareholders in any class, when the quorum shall be one person) at least holding or representing by proxy one-third in nominal amount of the issued Participating Shares of the class (but so that if at any adjourned meeting of such Shareholders a quorum as above defined is not present, those Shareholders who are present shall be a quorum);
 - (b) every Shareholder of the class shall on a poll have one vote for each Participating Share of the class held by him; and
 - (c) any Member of the class present in person or by proxy may demand a poll.
27. The rights conferred upon the holders of any Participating Shares or class of Participating Shares issued with preferred, deferred or other special rights shall (unless otherwise expressly provided by the conditions of issue of such Participating Shares) not be deemed to be varied by the creation or issue of further Participating Shares ranking in any respect *pari passu* therewith.

CONFIRMATION OF ENTRY IN THE REGISTER

28. Every person whose name is entered as a Member in the Register shall be entitled without payment to a Contract Note which will constitute written confirmation from the Company as to his entry in the Register in respect of all his Participating Shares of each class. It is not the intention of the Directors to issue share certificates.
29. Where a Member has transferred or redeemed part of the Participating Shares comprised in his holding he shall be entitled to a further Contract Note for the balance without charge.
30. Every Contract Note shall be issued within two Business Days after allotment or the lodgement with the Company of the transfer of the Participating Shares, unless the conditions of issue of such Participating Shares otherwise provide, and shall specify the number and class and distinguishing number (if any) of the Participating Shares to which it relates.
31. If at any time all the issued Participating Shares in the Company (or all the issued Participating Shares therein of a particular class) rank pari passu for all purposes none of these Participating Shares need thereafter have a distinguishing number so long as they rank pari passu for all purposes with all Participating Shares of the same class for the time being issued.
32. The Company shall not be bound to register more than four persons as the joint holders of any Participating Share or Participating Shares and in the case of a Participating Share held jointly by several persons, the Company shall not be bound to issue more than one Contract Note therefor, and delivery of a Contract Note for a Participating Share to one of several joint holders shall be sufficient delivery to all.
33. If a Contract Note be defaced, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity as the Directors think fit. In case of loss or destruction, the Member to whom such renewed Contract Note is given shall also bear and pay to the Company all expenses incidental to the investigation by the Company of the evidence of such loss or destruction.

TRANSFER OF SHARES

34. All transfers of Shares shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under seal. The transferring Member remains liable to the Company for all related fees or costs arising from the transfer.
35. The instrument of transfer of a Share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
36. The Directors may decline to register any transfer of Participating Shares in respect of which the Company has a lien or where the transfer would be in breach of the law or requirements mentioned in Article 16(d) hereof.
37. The Directors may also decline to recognise any transfer of Participating Shares unless the instrument of transfer is deposited at the Company's registered office or

such other place as the Directors may reasonably require, accompanied by the Contract Note in respect of the Shares to which the transfer relates or such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer, and the instrument of transfer relates to Shares of one class only. Furthermore, the transferee must provide such information, representations and warranties to the Company as are required for an application for Participating Shares under Articles 15 and 16.

38. If the Directors decline to register a transfer of any Participating Share they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
39. The Directors may at any time direct that any Subscriber Shares not held by JOHCM OEIC Managers LLP for the time being or its nominees shall be compulsorily purchased from the holder thereof at the price stated in paragraph 39(b) hereof in the following manner:
 - (a) The Directors shall serve a notice (hereinafter called a “**Purchase Notice**”) upon the person appearing in the Register as the holder of the Subscriber Shares to be purchased (the “**Vendor**”) specifying the Subscriber Shares to be purchased as aforesaid, the price to be paid for such Shares, the person in whose favour such holder must execute a transfer of such Shares and the place at which the purchase price in respect of such Shares is payable. Any Purchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within 10 days from the date of the Purchase Notice a duly executed transfer of the shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
 - (b) The price payable for each Subscriber Share transferred pursuant to this Article shall be €1 less the amount remaining to be paid up thereon.
 - (c) In the event of the Vendor failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of such Share(s) in accordance with the direction of the Directors and may give good receipt for the purchase price of such Share, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.
40. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine PROVIDED ALWAYS that such registration shall not be suspended for more than 30 days in any year.
41. (a) All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in any case of suspected fraud) be returned to the person depositing the same.

- (b) No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share and the Directors shall exercise their discretion under section 95(2)(1) of the Act to this effect.

TRANSMISSION OF SHARES

42. In case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having title to his interest in the Share, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
43. Any guardian of an infant Shareholder and any curator or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Participating Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall in either case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant Shareholder or by the deceased or bankrupt Shareholder before the death or bankruptcy or by the Shareholder under legal disability before such disability.
44. A person becoming entitled to a Share in consequence of the death or bankruptcy of a Member shall have the right to receive and may give a discharge for all dividends and other moneys payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the Shares PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all dividends or other moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

VARIATION OF SHARE CAPITAL

45. The Company may from time to time by Ordinary Resolution increase its capital by such number of Shares as the resolution shall prescribe.
46. In addition to any rights of the Company specifically conferred by these Articles to reduce its share capital the Company may by Special Resolution from time to time reduce its share capital in any way, and in particular, without prejudice to the generality of the foregoing power may with or without extinguishing or reducing liability on any of its Shares:-

 - (c) sub-dividing its Shares, or any of them, into a larger number of Shares than that fixed by its Constitution; or
 - (d) cancelling any Shares which, at the date of the passing of the Ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled.
48. All new Shares shall be subject to the provisions of these Articles with reference to transfer, transmission and otherwise.

A notice calling an annual general meeting shall specify the meeting as such and the notice convening a meeting to pass a special resolution shall specify the intention to propose the resolution as such.

53. A general meeting shall, notwithstanding that it is called by shorter notice than that specified in Article 52, be deemed to have been duly called if it is so agreed by the auditors and all the Members entitled to attend and vote thereat.
54. In every notice calling a meeting of the Company, or of any class of Members of the Company, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote instead of him and that a proxy need not also be a Member.

Any resolution passed by the Members, which but for any breach by a Member of this Article would not have been passed, shall be deemed never to have been passed and to be null and void.

The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the Office or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.

The maximum rate of any dividend payable on Participating Shares in respect of each financial year of the Company shall be calculated by the Directors and shall be arrived at by dividing the amount of profits of a Fund (including any amounts treated as profits in accordance with the accounting policies of the Company laid down from time to time) after tax and after expenses charged against income. The profits of a Fund may also include realised gains net of realised and unrealised losses as may be set out in the Supplement for a Fund. 143. Notices to be posted to addresses outside Ireland and the United Kingdom shall so far as practicable be forwarded by prepaid airmail.
144. Any Member present, in person or by proxy, at any meeting of the Company shall for all purposes be deemed to have received due notice of such meeting and, where requisite, of the purposes for which such meeting was convened.
145. Any summons, notice, order or other document required to be sent to or served upon the Company, or upon any officer of the Company may be sent or served by leaving the same or sending it through the post in a prepaid letter envelope or wrapper, addressed to the Company or to such officer at the Office.

WINDING UP

147. (1) If the Company shall be wound up the liquidator shall apply the assets of the Company in such manner and order as he thinks fit in satisfaction of creditors' claims. The liquidator shall in relation to the assets available for distribution among the Members make in the books of the Company such transfers thereof to and from Funds as may be necessary in order that the effective burden of such creditors' claims may be shared between the holders of Shares of different Funds in such proportions as the liquidator in his absolute discretion may think equitable having regard to the provisions of Article 21 hereof and the Acts.

- (2) The assets available for distribution among the Members shall then be applied in the following priority:
- (i) First, in the payment to the holders of the Participating Shares of each Fund of a sum in the currency in which that Fund is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Participating Shares of such Fund held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payments to be made. In the event that, as regards any Fund, there are insufficient assets available in the relevant Fund to enable such payment to be made recourse shall be had:
 - a) first, the assets of the Company not comprised within any of the Funds; and
 - b) secondly, to the assets remaining in the Funds for the other classes of Participating Shares (after payment to the holders of the Participating Shares of the classes to which they relate of the amounts to which they are respectively entitled under this paragraph 147(i)) pro rata to the total value of such assets remaining within each such Fund.
 - (ii) Secondly, in the payment to the holders of the Subscriber Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised within any of the Funds remaining after any recourse thereto under paragraph 147(i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds.
 - (iii) Thirdly, in the payment to the holders of each class of Participating Shares of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Shares of that Fund held.
 - (iv) Fourthly, in the payment to the holders of the Participating Shares of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the number of Participating Shares held.
- (3) If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a Special Resolution and any other sanction required by the Acts, divide among the Members in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Members. The liquidator may, with the like authority, vest any part of the assets in trustees on such trusts for the benefit of Members as the

liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Member shall be compelled to accept any assets in respect of which there is any liability. For the avoidance of doubt, if the Special Resolution above is passed, each Member is entitled to elect on winding-up whether or not he wishes to receive a distribution in specie or a cash distribution made in accordance with the provisions of Article 147(i). However, in the absence of a Member electing to receive a distribution in specie on winding-up, such Member shall receive a cash distribution payment in accordance with the provisions of Article 147(i). Furthermore, where the Company agrees to sell the assets if requested by a Shareholder, the costs of such sale can be charged to the redeeming Shareholder.

INDEMNITY

148. (1) Subject to the provisions of and insofar as may be permitted by the Acts and the Act, every Director, Secretary and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Members over all other claims.
- (2) The Depositary and the Manager shall be entitled to such indemnity from the Company under such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the Company with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement and the Management Agreement.

RESERVES

149. The Directors may before declaring any dividends set aside out of the profits of the Company and carry to the credit of any reserve account such sums as they think proper, which shall, at the discretion of the Directors, be applicable for any purpose to which the profits or reserves may be properly applied and pending such application may at the like discretion either be employed in the business of the Company or be invested in such Investments as the Directors may from time to time think fit. The Directors may also carry forward to the accounts of the succeeding year or years any balance of profits which they shall think fit neither to divide nor to place to reserve.

DEALINGS BY THE MANAGER ETC.

150. Any person being the Manager, the Administrator, the Depositary and any associate of the Manager, the Administrator or the Depositary may:

 - (i) a certified valuation of such transaction by a person approved by the Depositary as independent and competent has been obtained; or
 - (ii) such transaction has been executed on best terms on an organised investment exchange under its rules; or
 - (iii) where (i) and (ii) are not practical, such transaction has been executed on terms which the Depositary is satisfied conform with the principle that such transactions be carried out as if effected on normal commercial terms negotiated at arms length.

- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

TOTAL REPURCHASE

153. The Company may, by not less than four, nor more than twelve weeks' notice to all Members, repurchase at the Net Asset Value per Participating Share on such Dealing Day, all (but not some) of the Participating Shares in issue for any class of Participating Share or all classes of Participating Shares on such date in the following instances:-

- (i) if the Company or any Fund is no longer an authorised UCITS;
- (ii) if any law is passed which renders it illegal or, in the reasonable opinion of the Directors it is impracticable or inadvisable, to continue the Company or any Fund;
- (iii) if within a period of 120 days from the date on which the Depositary notifies the Company of its desire to retire in accordance with the terms of the Depositary Agreement, or from the date on which the appointment of the Depositary is terminated by the Company in accordance with the terms of the Depositary Agreement, or from the date on which the Depositary ceases to be qualified under Article 8 hereof, no new Depositary shall have been appointed;

provided that such repurchase does not result in the issued share capital being reduced to below the minimum amount permitted under the Acts.
