### **RELEVANT INFORMATION**

Amadeus Capital Markets, S.A.U. and Amadeus Finance BV have updated their programme for the issuance of debt securities (Euro Medium Term Note Programme - EMTN, the "**Programme**") of €2.4 billion, guaranteed by Amadeus IT Group, S.A.

For these purposes, the updated base prospectus has been registered and approved by the Commission de Surveillance du Secteur Financier (CSSF) in Luxembourg on September 28, 2016.

The basic characteristics of the securities to be issued under the Programme remain with no changes with respect to previous one.

Amadeus Capital Markets, S.A.U. has mandated certain financial institutions as bookrunners for a senior €500 million euro-denominated bond issue under the Programme with a maturity of four years, that may follow subject to market conditions.

The net proceeds of the bond issue would be used to prepay existing financial indebtedness of the Group.
