

**SIEMENS GAMESA RENEWABLE ENERGY, S.A.  
SIGNIFICANT EVENT**

**As per section 17 of the Regulation (EU) No. 596/2014, on market abuse and section 227 of the restated text of the Securities Market Law and related provisions, the Company announces the following statement:**

The client Orsted has announced today that Siemens Gamesa Renewable Energy, S.A., through its U.S. subsidiary Siemens Gamesa Renewable Energy, Inc., will conditionally supply wind turbines to the joint venture between Orsted and Eversource for three offshore wind power projects in federal waters off the northeastern coast of the U.S.: Revolution Wind project (704 MW) off the coast of Rhode Island; Sunrise Wind project (880 MW) off Montauk Point in New York; and South Fork project (130 MW) off Long Island, New York. The conditional order encompasses the supply, delivery and installation of SG 8.0-167 DD wind turbines including service agreements.

All deliveries are conditional on Orsted and Eversource's final investment decision and the projects are expected to be operational between 2022-2024 (2023 for Revolution Wind project, 2024 for Sunrise Wind project and 2022 for South Fork project).

Zamudio (Vizcaya), July 18, 2019

Markus Tacke  
Chief Executive Officer
