## **SIGNIFICANT EVENT**

### **Appointment of new Chief Scientific Officer and Executive Vice President Research and Development**

Almirall, S.A. (ALM.MC), as per section 228 of the Royal Legislative Decree 4/2015, of 23 October 2015, approving the Restated Text of the Securities Market Act, hereby announces that:

Dr Bhushan Hardas has been appointed to the position of Chief Scientific Officer and Executive Vice President Research and Development, starting in April 2017. He will report directly to the CEO of Almirall, Eduardo Sanchiz, and will become a member of the Management Board.

Dr. Hardas is a dermatologist by training to which he adds a PhD and an MBA. His last position until the present moment has been as Global Head of R&D Dermatology and Medical Aesthetics and Chief Medical Officer (Devices) for Allergan, based in Irvine, California.

His breadth and depth of knowledge in dermatology and aesthetics will reinforce our expertise in this area towards generating new R&D projects, as well as providing expert advice on potential business development opportunities.

Yours sincerely,

Pablo Divasson del Fraile
