For and on behalf of the Board of HSBC Global Investment Funds.

### Reason for the Liquidation

UK Equity was launched in February 1990 and has experienced large outflows over the last three years, with limited potential for growth.

The Board has the authority to liquidate any sub-fund with assets under management of less than USD50m and so has made the decision to close this sub-fund (whose assets under management as of 5 May 2020 are approximately USD22.3 million) in the best interests of shareholders.

- 2. Redeem your investment.** Instructions must be received by the deadline given in the right-hand column.
- 3. Take no action and receive your liquidation proceeds automatically.** Proceeds will be made available to you through the settlement method of record on your account.

**All options may have tax consequences.** You may want to review these options with your tax adviser and your financial adviser.

## Costs

Please be informed that all legal and administrative costs in relation to this liquidation will be borne by HSBC Global Asset Management Limited and not UK Equity.

UK Equity will however incur the transaction costs associated with liquidating the assets. These transaction costs, based upon the market conditions as on 6 May 2020 and UK Equity's portfolio at that time, are estimated to be around 0.63% of the assets of UK Equity (this includes for example bid offer spread, market impact, brokerage and taxes on transactions). In practice, these costs will be highly dependent on market conditions and the portfolio at the time of the liquidation, and may be higher or lower. In view of recent market conditions, liquidating the underlying assets of the Sub-Fund may potentially be subject to higher transaction costs.

## Key Dates

UK Equity will not accept subscriptions from new investors with effect from the date of this notice. However, existing shareholders may continue to subscribe, redeem or switch into UK Equity until 10.00 a.m. on 25 June 2020.

In order to ensure an efficient liquidation, UK Equity may begin liquidating assets in the period leading up to the liquidation date. Liquidation of the remaining assets will then commence on the liquidation date.

Should UK Equity's assets reduce to a level where it can no longer pursue the investment objective and policy, all assets will be moved to cash and the annual management charge will be waived.

If you hold multicurrency positions in a specific share class, please contact your distributor or the Registrar and Transfer Agent of the Fund (HSBC France, Luxembourg Branch) before 10.00 a.m. Luxembourg time on 19 June 2020 to arrange the currency in which you would like to receive your liquidation proceeds. If no specific currency request is received, the liquidation proceeds will be paid to you in the reference currency of the share class.

All shareholders' shares of UK Equity as at 3 July 2020 will be liquidated. Liquidation proceeds will be based on the net asset value of 3 July 2020 which will be calculated in accordance with the usual terms set out in the Prospectus.
