Re: Purchase of 25% of Riso Scotti

In connection with this purchase announced in a regulatory announcement on 15 February (Reference number 182327), you are hereby advised that the transaction has been completed, whereby Ebro Foods has purchased 25% of Riso Scotti S.p.A., parent company of the Scotti Group, for 18 million euro.

Scotti is an Italian group specialising in the production and processing of rice, leaders in risotto rice in Italy with a broad array of products sold under the Scotti brand in over seventy countries. Its portfolio includes numerous high value-added products (rice and soybean milk, rice biscuits, rice oils, ready meals, etc.) directed at the premium segment, which bring traditional Italian cuisine up with the times.

With this joint venture, Ebro aims to consolidate its worldwide leadership of the rice sector through the international development of new references and specialities, especially related with the Italian concept of risotto and a commitment to high value-added products sold through gourmet shops.

Yours faithfully,

Miguel Ángel Pérez Álvarez
Secretary of the Board
