

# <u>FINALCIAL INFORMATION FOR THE NINE MONTH</u> ENDED 30 SEPTEMBER 2020

### 1. NET RESULTS

The net consolidated result was -2 million euros in the first nine month of 2020, compared to a net consolidated profit of 129 million euros in the same period of the previous year. This drop is due to the lower results obtained by some of our investee companies (affected in this period by the significant reduction of activity caused by the COVID-19 crisis), the lower Profit / (Loss) on asset sales and the negative evolution of the Variation in fair value of financial instruments due to the lower estimated value of Deyá Capital's investee companies.

### 2. MOST SIGNIFICANT TRANSACTIONS

The main investments made by Alba in the first nine months of 2020 were as follows:

- Acquisition of 1.94% of CIE Automotive for 37.8 million euros, increasing its stake in this Company to 12.09%.
- Various financial investments for a total amount of 21.4 million euros.

On the other hand, the main divestments made by Alba in the first nine months of 2020 were as follows:

- Sale of its stake (12.06%) in the share capital of Bolsas y Mercados Españoles (BME) for 332.6 million euros, as part of the voluntary takeover bid formulated by SIX Group AG. Alba has obtained an IRR of 6.2% over an investment period of 6.2 years.
- Sale of two real estate properties in Barcelona and two floors in an offices building in Madrid for 32.5 million euros.
- Sale, through Deyá Capital, of its entire stake of 7.5% of the share capital of TRRG Holding Ltd. (previously Ros Roca Environment) to the Terberg group for 17.3 million euros.
