

RELEVANT FACT

QATAR AIRWAYS' IAG SHAREHOLDING

Qatar Airways has announced today that it has acquired a 9.99 per cent stake in International Airlines Group (IAG).

Both IAG and Qatar Airways have a close relationship already as part of the **oneworld** alliance and IAG welcomes Qatar Airways' statement that it would look to strengthen existing commercial ties.

Commenting on the share acquisition, Willie Walsh, IAG chief executive, said: "We're delighted to have Qatar Airways, one of the world's premier airlines, as a long term supportive shareholder. We will talk to them about what opportunities exist to work more closely together and further IAG's ambitions as the leading global airline group".

Enrique Dupuy de Lôme
Chief Financial Officer

Forward-looking statements:

Certain statements included in this announcement are forward-looking and involve risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such forward-looking statements. Forward-looking statements can typically be identified by the use of forward-looking terminology, such as "expects", "may", "will", "could", "should", "intends", "plans", "predicts", "envisages" or "anticipates" and include, without limitation, any projections relating to results of operations and financial conditions of International Consolidated Airlines Group S.A. and its subsidiary undertakings from time to time (the '**Group**'), as well as plans and objectives for future operations, expected future revenues, financing plans, expected expenditures and divestments relating to the Group and discussions of the Group's business plan. All forward-looking statements in this announcement are based upon information known to the Group on the date of this announcement. The Group undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. It is not reasonably possible to itemise all of the many factors and specific events that could cause the forward-looking statements in this announcement to be incorrect or that could otherwise have a material adverse effect on the future operations or results of an airline operating in the global economy. Further information on the primary risks of the business and the risk management process of the Group is given in the Annual Report and Accounts 2013; these documents are available on www.iagshares.com.
