

## **Fitch affirms the "A-" long-term rating of Enagás**

Fitch has reaffirmed the long term rating of Enagas S.A at "A-" (Negative Outlook) and short-term credit rating of "F2".

Additionally, the rating agency assigned the same rating of "A-" to the subsidiary Enagás Transporte S.A.U.

The senior debt rating is "A-" for both Enagas S.A. and Enagás Transporte S.A.U.

The rating of the Company's long term therefore is two notches above the rating that Fitch has established for the Kingdom of Spain.

The Company's current ratings (BBB at Standard and Poor's and A- at Fitch), confirms Enagás as one of the companies with the best credit security and solvency in the energy sector.
