

TO THE COMISIÓN NACIONAL DEL MERCADO DE VALORES

Pursuant to article 228 of the Spanish Securities Market Act (*Ley del Mercado de Valores*), we hereby notify the *Comisión Nacional del Mercado de Valores* that Bolsas y Mercados Españoles, Market Data, S.A., a subsidiary of Bolsas y Mercados Españoles, Sociedad Holding de Mercados y Sistemas Financieros, S.A., has reached an agreement with Bolsa Mexicana de Valores, S.A.B., de Capital Variable, to set up two companies, with registered offices in Mexico and Miami, United States of America, respectively, to promote the generation, distribution and sale of information from Latin American markets.

Bolsas y Mercados Españoles, Market Data, S.A. shall hold a 51% stake in the company registered in Miami, which shall be responsible for the design, marketing and sale of information from Latin American markets, and a 49% stake in the company registered in Mexico which shall be responsible for managing the technical infrastructure.

Total estimated investment in the project will be up to US\$10 million with each of the exchanges concerned assuming approximately 50% of this amount.

The purpose of creating these companies is to establish an information distribution platform which boasts high automation and processing, with possible future participation by Latin America's leading exchanges.
