Please note that these lists are updated regularly but they are not intended to be complete, as new unauthorized entities appear regularly.

To ensure that the intermediary offering you financial products or services is authorized to operate in France, you may consult the register of authorized investment service providers (<https://www.regafi.fr> URL = [https://www.regafi.fr]) or the list of authorized intermediaries in the financial investment advisor (FIA), crowdfunding (CIP) categories (<https://www.orias.fr/search> URL = [https://www.orias.fr/search]) or the list of crowdfunding service providers in France, available in this [page](https://www.amf-france.org/en/professionals/fintech/my-relations-amf/operating-crowdfunding-service-provider-france) URL = [https://www.amf-france.org/en/professionals/fintech/my-relations-amf/operating-crowdfunding-service-provider-france] of the AMF's website.

If the intermediary in question does not appear on any of the last two lists, we strongly recommend that you should not make use of their services, as they are in breach of the applicable legislation and are not required to comply with basic rules of investor protection, information disclosure and claims handling.
