Luxembourg, 4 April 2016

ArcelorMittal announces the successful completion of its c.US\$3bn¹ rights issue

Strong investor support for ArcelorMittal's rights issue; total subscription rate of 126.9%

- 1,229,905,208 new shares subscribed for through the exercise of primary subscription rights under the rights, representing a subscription rate of 97.4%
- Oversubscription demand for 372,398,986 shares
- 1,602,304,194 total new shares subscribed for including oversubscription shares, representing a total subscription rate of 126.9%

1,229,905,208 new shares were subscribed for through the exercise of primary subscription rights under the rights, representing 97.4% of new shares to be issued. Oversubscription demand amounted to 372,398,986 new shares, representing 11.5 times the number of surplus shares available after satisfaction of the primary subscription rights, and will, as a result, be satisfied only in part, i.e. for 32,446,323 new shares.

Surplus shares will be allocated to holders that submitted oversubscription requests on a pro-rata basis, in proportion to the number of rights exercised by each Holder (excluding the oversubscription), in each case in an amount that does not exceed the maximum number of additional New Shares requested.

Post capital increase, ArcelorMittal's issued share capital will consist of 3,065,710,869 shares without nominal value.

As announced on 5 February 2016, ArcelorMittal intends to use the net proceeds of the rights issue to reduce its indebtedness and to strengthen its balance sheet.

Settlement and delivery of new shares pursuant to rights held through the European clearing systems or directly in the European rights register is expected to take place on 8 April 2016. Delivery of new shares to holders of rights through DTC or the New York rights register is expected to take place on 11 April 2016. The new shares are expected to be admitted to trading on the European stock exchanges² on 8 April 2016 and on the New York Stock Exchange on 11 April 2016.

¹ Based on the 10 March 2016 published European Central Bank euro/USD exchange rate used to set the subscription price in euros. The subscription price in euros was set to generate gross proceeds in EUR equivalent to approximately USD 3bn based on that rate i.e. EUR 2.78 bn

About ArcelorMittal

ArcelorMittal is the world's leading steel and mining company, with a presence in 60 countries and an industrial footprint in 19 countries. Guided by a philosophy to produce safe, sustainable steel, we are the leading supplier of quality steel in the major global steel markets including automotive, construction, household appliances and packaging, with world-class research and development and outstanding distribution networks.

Through our core values of sustainability, quality and leadership, we operate responsibly with respect to the health, safety and wellbeing of our employees, contractors and the communities in which we operate.

For us, steel is the fabric of life, as it is at the heart of the modern world from railways to cars and washing machines. We are actively researching and producing steel-based technologies and solutions that make many of the products and components people use in their everyday lives more energy efficient.

We are one of the world's five largest producers of iron ore and metallurgical coal and our mining business is an essential part of our growth strategy. With a geographically diversified portfolio of iron ore and coal assets, we are strategically positioned to serve our network of steel plants and the external global market. While our steel operations are important customers, our supply to the external market is increasing as we grow.

In 2015, ArcelorMittal had revenues of \$63.6 billion and crude steel production of 92.5 million tonnes, while own iron ore production reached 62.8 million tonnes.

ArcelorMittal is listed on the stock exchanges of New York (MT), Amsterdam (MT), Paris (MT), Luxembourg (MT) and on the Spanish stock exchanges of Barcelona, Bilbao, Madrid and Valencia (MTS).
