28 September 2017 – ArcelorMittal (the “**Company**” or “**ArcelorMittal**”) announces the launch of its tender offers (the “**Offers**”) to purchase for cash, for a combined aggregate purchase price (exclusive of Accrued Interest (as defined herein)) of up to \$1,250,000,000 (the “**Maximum Tender Cap**”), its outstanding 6.250% notes due 2022 (CUSIP 03938LAX2/ISIN US03938LAX29) (the “**2022 Notes**”), 6.750% notes due 2041 (CUSIP 03938LAS3/ISIN US03938LAS34) (the “**2041 Notes**”) and 7.000% notes due 2039 (CUSIP 03938LAP9/ISIN US03938LAP94) (the “**2039 Notes**”) and, together with the 2022 Notes and the 2041 Notes, the “**Notes**”). Subject to the Maximum Tender Cap, the amount of a Series of Notes that is purchased in the Offers on the applicable Settlement Date (as defined below) will be based on the numerical order of priority (the “**Acceptance Priority Level**”) for such Series, subject to the proration arrangements applicable to the Offers, as set forth in the table above.

This announcement does not contain the full terms and conditions of the Offers, which are contained in the offer to purchase dated September 28, 2017 (as it may be amended or supplemented from time to time, the “**Offer to Purchase**”), and is subject to the offer restrictions set out below and more fully described in the Offer to Purchase.

Notes may be validly tendered at any time on or before 11:59 p.m., New York City time, on October 26, 2017, unless extended (as may be extended, the “**Expiration Time**”). Notes must be tendered in accordance with the procedures set forth in the Offer to Purchase. To receive the Total Consideration (as defined herein), plus any Accrued Interest, Holders must tender their Notes prior to 5:00 p.m., New York City time, on October 12, 2017, unless extended (such time, as the same may be extended, the “**Early Tender Time**”). The “**Total Consideration**” is the U.S. dollar amount payable per \$1,000

principal amount of the Notes set forth in the table above and includes an early tender premium of \$50 per \$1,000 principal amount of Notes (the “**Early Tender Premium**”). Holders who validly tender their Notes after the Early Tender Time but at or prior to the Expiration Time will only be eligible to receive the “**Tender Consideration**”, which is the applicable Total Consideration minus the Early Tender Premium, plus any Accrued Interest.

Subject to applicable law, the Company expressly reserves the right, but is not obligated to, increase the Maximum Tender Cap in its sole and absolute discretion without extending the Early Tender Time, the Withdrawal Deadline (as defined below) or otherwise reinstating withdrawal rights.

Subject to the Maximum Tender Cap and the proration arrangements applicable to the Offers, all Notes of a Series validly tendered and not validly withdrawn at or prior to the Early Tender Time having a higher Acceptance Priority Level will be accepted before any tendered Notes of a Series having a lower Acceptance Priority Level. Among any Notes validly tendered following the Early Tender Time but at or prior to the Expiration Time, Notes having a higher Acceptance Priority Level will be accepted before any Notes tendered following the Early Tender Time having a lower Acceptance Priority Level, subject to the Maximum Tender Cap. If the Offers are not fully subscribed as of the Early Tender Time, subject to the Maximum Tender Cap, Notes validly tendered and not validly withdrawn at or prior to the Early Tender Time will be accepted for purchase in priority to Notes tendered following the Early Tender Time even if such Notes tendered following the Early Tender Time have a higher Acceptance Priority Level than Notes tendered at or prior to the Early Tender Time. As such, Notes tendered at or prior to the Early Tender Time will be accepted for purchase in priority to Notes tendered after the Early Tender Time, and to the extent that Notes are tendered at or prior to the Early Tender Time, the Maximum Tender Cap available after the Early Tender Time could be reduced significantly or altogether. Accordingly, if the Maximum Tender Cap is reached in respect of tenders made at or prior to the Early Tender Time, no Notes tendered after the Early Tender Time will be accepted for purchase (irrespective of their priority level).

With respect to the Notes validly tendered at or prior to the Early Tender Time and not validly withdrawn and accepted for purchase pursuant to the Offers, the Company expects to pay the Total Consideration, together with any accrued and unpaid interest from, and including, the immediately preceding interest payment date applicable to such Notes to, but excluding, the applicable Settlement Date (the “**Accrued Interest**”), to the Holders on the second Business Day after the Early Tender Time, expected to be October 16, 2017 (such date, the “**Early Settlement Date**”). With respect to Notes validly tendered after the Early Tender Time but at or prior to the Expiration Time and accepted for purchase pursuant to the Offers, the Company expects to pay the Tender Consideration, together with any Accrued Interest, to the Holders thereof on the second Business Day after the Expiration Time, expected to be October 30, 2017 (such date the “**Final Settlement Date**”; each of the Early Settlement Date and the Final Settlement Date, a “**Settlement Date**”).

A press release announcing the amount of Notes to be accepted for purchase on the Early Settlement Date and the Final Settlement Date will be published as soon as practicable following the Early Tender Time and the Expiration Time, as applicable.

Notes tendered may only be withdrawn at or prior to 5:00 p.m., New York City time, on October 12, 2017 (such date and time, as the same may be extended, the “**Withdrawal Deadline**”) but, except as otherwise provided, not thereafter.

ArcelorMittal will fund the Offers with existing cash resources. The Offers are being made to reduce gross debt and interest expense through the early repayment of certain medium- to long-term bonds issued by the Company.
