

COCA-COLA EUROPEAN PARTNERS TO PRESENT
AT BARCLAYS GLOBAL CONSUMER STAPLES CONFERENCE,
AFFIRMS FULL-YEAR 2017 GUIDANCE

LONDON, 6 September 2017 – Coca-Cola European Partners plc (CCEP) (ticker symbol: CCE) will discuss its plans and outlook with investors at the Barclays Global Consumer Staples Conference in Boston tomorrow, Thursday, 7 September 2017, at 9:45 a.m. EDT, 14:45 BST, and 15:45 CEST. The public can access the presentation live via webcast through the company’s website at www.ccep.com. A replay of the presentation will be available later that day.

Chief Executive Officer Damian Gammell and Chief Financial Officer Nik Jhangiani will deliver the remarks.

In the presentation, CCEP will affirm full-year 2017 guidance of expectations for low single-digit revenue growth, operating profit growth at the top end of the previously stated high single-digit range, and diluted earnings per share to be up 10 percent to 12 percent. These growth figures are on a comparable and fx-neutral basis when compared to 2016 comparable results. At recent rates, currency translation would reduce 2017 full-year diluted earnings per share by approximately 2 percent.
