

Central Bank of Ireland Issues Warning on Unauthorised Firm – FinanceOneLtd

19 December 2022 Warning Notice

It has come to the Central Bank of Ireland's ('Central Bank') attention that a fraudulent entity has been claiming to be a retail credit firm in the State in the absence of an appropriate authorisation. In this instance the fraudulent entity has been passing itself off by cloning and impersonated a legitimate Central Bank authorised firm in order to deceive consumers. Contact information used by this unauthorised entity include the email address info@financeoneltd.com and the telephone numbers: 01-647 1200 and 01-442 9677.

This unauthorised entity has cloned the details (company name, Irish registered address, and web site) of the legitimate firm: Finance One Ltd which is authorised by the Central Bank. It should be noted that there is no connection whatsoever between the Central Bank authorised firm and the unauthorised entity that has cloned its details.

A list of unauthorised firms published to date is available on the Central Bank website.

It is a criminal offence for an unauthorised firm / person to provide financial services in Ireland that would require an authorisation under the relevant legislation which the Central Bank is the responsible body for enforcing. Consumers should check the Central Bank registers online to find out if a firm / person they are dealing with is authorised. Consumers should be wary of advertisements offering loans from unauthorised firms or persons.

There are some general steps that individuals should take before dealing with firms / persons which purport to offer financial services:

- If you are buying a financial product such as a loan, insurance, investment or pension, or engaging a financial service such as investment advice, only deal with a Central Bank authorised firm / person – check our Register to see if the firm / person is registered. Always access the Register from our website, rather than through links in emails or on a firm's / person's website.
- Always double-check the URL and contact details of a firm / person in case it is a 'clone firm / person' pretending to be an authorised firm / person, such as your bank or a genuine investment firm.

- Check the list of unauthorised firms. If the firm / person is not on our list, do not assume it is legitimate – it may not have been reported to the Central Bank yet.

For further information, please visit the Avoiding Scams and Unauthorised Activity section of the Central Bank's website.

Any person wishing to contact the Central Bank with information regarding such firms / persons may telephone (01) 224 4000. This line is also available to the public to check if a firm is authorised.
