

AMADEUS IT GROUP, S.A. - *Amadeus or the Company* - (formerly AMADEUS IT HOLDING, S.A.) in accordance with the provisions of Article 228 of Restated Text of the Securities Exchange Act (Ley del Mercado de Valores) by this letter communicates the following

RELEVANT INFORMATION

AMADEUS EXECUTIVE COMMITTEE

Amadeus today announces that Christophe Bousquet, Vice President, Airline IT R&D at Amadeus since January 2013, and Denis Lacroix, Vice President, Reservation, Distribution and Mid-Back Office, R&D at Amadeus also since January 2013, are formally appointed to Amadeus' Executive Committee with immediate effect. They will take on additional responsibilities as Amadeus evolves its R&D capabilities and organisation to meet the fast changing needs of customers and travellers.

Prior to joining Amadeus in 1989, Denis Lacroix was a Senior Software Engineer for Digital Equipment Corporation and IBM's Yorktown Heights Research Laboratories in New York, USA. Denis is a graduate of Ecole Centrale de Paris.

Before joining Amadeus in 1990, Christophe Bousquet worked as a software engineer first for Syseca and then at Control Data France. Christophe is a graduate from the French University of Toulouse.
