Distribution of a complementary dividend against 2011 results.

VIDRALA S.A., as provided in article 82 of the Spanish Stock Market Act (Ley del Mercado de Valores), hereby reports that the Annual General Shareholders' Meeting, at its meeting held last June 21, 2012, approved to distribute a complementary dividend against 2011 results of a gross amount of EUR 0.1448 for each company share issued. Details are:

Ex-Dividend Date:	July 13, 2012
Shares:	VIDRALA, S.A.
ISIN Code:	ES0183746314
Gross amount per share:	0.1448 Euros

The payment of this dividend, after the tax withholding to be made on gross amounts as required by the relevant legislation, will be executed on July 13, 2012 through the systems established by the entity in charge of registration, clearing and settlement of securities (Iberclear) by BBVA, Banco Bilbao Vizcaya Argentaria, SA.

This second distribution is additional to the first interim dividend already paid in February. Furthermore, it must be noted that all existing shares will fully receive this dividend, including the new shares freely allocated to our shareholders resulting from the bonus share issue executed last November. All in, gross dividend distribution against 2011 results will be increased by five per cent in comparison with the previous year. That is coherent with the policy implemented by the company focused on the stability and sustained improvement of shareholder's return.
