COMISION NACIONAL DEL MERCADO DE VALORES (CNMV)

In compliance with article 82 of the Spanish Securities Markets Law, ABERTIS INFRAESTRUCTURAS, S.A. ("**abertis**" or the "**Company**"), hereby notifies the Spanish National Securities Market Commission of the following

RELEVANT FACT

TBI Limited, a company of which **abertis** owns a 90% stake (**Aena** owns a 10% stake), has reached an agreement with the Welsh Assembly Government to sell Cardiff Airport for an amount (Enterprise Value) of 52 million Pound Sterling (61 million Euros).

This transaction has a neutral impact on **abertis**' income statement as the asset sale price equals the value booked in the Company's consolidated balance sheet, thus generating no book gains.

Cardiff Airport represents a small fraction of the Group's consolidated business, contributing less than 0.5% of its revenues. Regarding the relevance of this transaction compared to the total value of the Company's balance sheet, this disposal represents a 0.1% of the total value of its assets.

Through this transaction, **abertis** reinforces its willingness to constantly review its portfolio in order to optimize its asset base.
