No Currency

All Big Cities Will

By SETH FAISON

SHANGHAI, Jan. 27 — With world markets once again jittery about possible devaluation of China's currency, the yuan, the governor of the Chinese central bank said today there were no plans to do so, pointing out that there is even less pressure on the currency, also known as the renminbi, than there was last year.

"As the person in charge, I can say the renminbi will not be devalued," said Dai Xianglong, the bank chief, at a news conference in Beijing. "During the Asian crisis, the renminbi was not devalued and at the moment it is not necessary for the renminbi to be devalued."

Mr. Dai's comments touched off a strong rally in China-related stocks in Hong Kong, where there is concern that a possible devaluation would force Hong Kong to shift its currency's link to the United States dollar. Hong Kong's index of 100 shares, or China-based companies, surged more than 7 percent, while the broader Hang Seng index rose 209.83 points, or 2.21 percent, to 9,710.66.

Mr. Dai also said China would move ahead with plans to tighten regulation while gradually liberalizing its financial industry practice. All large cities will be opened to foreign banks, which were previously limited to Shanghai and Shenzhen, the city in southern Guangdong province that borders Hong Kong. The central bank will also relax controls over the interest rate allowed on foreign loans, Mr. Dai said, giving commercial banks more freedom to attract borrowers.

ENDESA, S.A.

Endesa Internacional, S.A., a limited liability company incorporated under the laws of the Kingdom of Spain (the "U.S. Purchaser") and a wholly-owned subsidiary of Endesa, S.A., a limited liability company incorporated under the laws of the Kingdom of Spain ("Endesa"), is offering to purchase for cash shares of Common Stock, no par value (the "Shares"), of Endesa S.A., a publicly traded stock corporation incorporated under the laws of the Republic of Chile (the "Company"), plus a number of American Depository Shares, each representing 50 Shares (the "ADSs"), which Shares and ADSs represent, in aggregate, up to 694,591,189 Shares at a price of Chilean pesos 320 per Share, net to the seller in cash, and without interest thereon, and at a price of Chilean pesos 16,000 per ADS, net to the seller in cash and without interest thereon, upon the terms and subject to the conditions set forth in the U.S. Offer to Purchase dated January 28, 1999 (the "U.S. Offer to Purchase") and in the related Form of Acceptance and ADS Letter of Transmittal (which, as intended or supplemented from time to time, together constitute the "U.S. Offer"). The U.S. Offer is open to all holders of ADSs and all holders of Shares who are not Chilean Persons (as defined in the U.S. Offer to Purchase). Except as otherwise provided in the U.S. Offer to Purchase, and as restricted by applicable law, each purchase pursuant to the U.S. Offer will be settled in United States dollars by reference to the average exchange rate at which commercial banks conduct authorized transactions in Chile as determined by the Central Bank of Chile and published in the Official Gazette of Chile in effect on the date the Shares and/or ADSs are accepted for payment or in Chilean pesos as set forth in the U.S. Offer to Purchase.

The U.S. Offer is being made in conjunction with an offer (the "Chilean Offer") and together with the U.S. Offer, the "Offers" by Endesa S.A., an affiliate of the U.S. Purchaser and a privately held public company incorporated under the laws of the Republic of Chile (the "Chilean Purchaser") for up to 481,408,811 Shares. The U.S. Offer is open to all holders of Shares and/or ADSs who are not Chilean Persons. Persons who are not Chilean Persons will not be permitted to tender their Shares or the Chilean Offer. The Chilean Offer will be effected pursuant to an auction transaction on the Santiago stock exchange commonly referred to as a "reverse" (the "Chilean Auction"). The Chilean Purchaser will purchase Shares during, but outside of, the U.S. Offer pursuant to the Chilean Auction. These purchases may be at prices higher than the U.S. Offer prices; however, if purchases are made at a higher price than, prior to the expiration of the U.S. Offer, the U.S. Offer price will be increased to the highest bid by the Chilean Purchaser in the Chilean Auction.

Endesa, through the U.S. Purchaser and the Chilean Purchaser, is seeking to purchase up to 2,176,000,000 Shares (32% of the outstanding Shares) of the Company pursuant to the two Offers.

THE U.S. OFFER PROURATION PERIOD AND WITHDRAWAL RIGHTS WILL EXPIRE AT 10:00 P.M., NEW YORK CITY TIME, ON FRIDAY, MARCH 5, 1999, UNLESS THE U.S. OFFER IS EXTENDED.

The U.S. Offer is subject to a number of conditions, including (i) shareholder approval at a meeting held on or before March 10, 1999 (which the Company currently has scheduled to hold on February 24, 1999) of an amendment to the Bylaws (the "Bylaw Amendment") of the Company increasing the percentage of Shares that may be beneficially owned by one shareholder (or group of shareholders) from 32% to 65% of the outstanding Shares of the Company and the effectiveness under applicable Chilean law of the Bylaw Amendment (the "Bylaw Amendment Condition") and (ii) the absence of certain changes in circumstances or facts affecting the business, assets, liabilities, financial condition, capitalization, operations, results of operations or prospects of the Company or any of its subsidiaries or affiliates that could be materially adverse. Please see the U.S. Offer to Purchase for complete details of the conditions to the U.S. Offer.

Endesa and its affiliates intend to vote all Shares held by them in favor of the Bylaw Amendment. Holders of Shares and ADSs are urged to vote, in the manner described in the U.S. Offer to Purchase, all Shares and/or ADSs held by them in favor of the Bylaw Amendment whether or not they intend to tender their Shares or ADSs pursuant to the U.S. Offer.

The purpose of the U.S. Offer and the Chilean Offer is to give control of, and approximately a 64% equity position in, the Company. Endesa currently intends, as soon as practicable and notwithstanding the period of time during which the U.S. Offer is open, purchase all or substantially all of the remaining Shares and ADSs held by the U.S. Offer participants, for payment or payment for Shares and ADSs, subject to applicable law until termination or withdrawal of the U.S. Offer.

If any condition to the U.S. Offer is not satisfied, the U.S. Purchaser may terminate the U.S. Offer and return all tendered Shares and ADSs to tendering shareholders, except the U.S. Offer and applicable conditions listed below, remain valid such Shares and ADSs until the expiration of the U.S. Offer as so extended, unless such condition is waived by the U.S. Purchaser, and during the period of time during which the U.S. Offer is open, purchase all Shares and ADSs validly tendered during such period and not withdrawn or duly accepted, for payment or payment for Shares and ADSs, subject to applicable law until termination or withdrawal of the U.S. Offer.

If Shares and/or ADSs representing 32% of the outstanding Shares and ADSs are validly tendered by the Expiration Date and not withdrawn, the U.S. Purchaser will, upon the completion of the conditions to the U.S. Offer, purchase such Shares and ADSs on a pro rata basis. If proration of Shares and/or ADSs is required, the U.S. Purchaser will make such proration in accordance with the applicable provisions of the U.S. Offer.

Shares and ADSs validly tendered by the Expiration Date and not withdrawn or delay acceptance for payment or payment for Shares and ADSs, subject to applicable law, until satisfaction by winner of the conditions to the U.S. Offer.

If Shares and/or ADSs representing, in the aggregate more than 694,591,189 Shares are validly tendered by the Expiration Date and not withdrawn, the U.S. Purchaser will, upon the termination subject to the conditions of the U.S. Offer, purchase such Shares and ADSs on a pro rata basis. If proration of tendered Shares and ADSs is required, Shares will be purchased only in multiples of 50 Shares (a "Share Multiple"). Proration for each holder of Shares will be based on the ratio that the number of Share Multiples tendered by such holder (and not withdrawn) bears to the sum of the number of Share Multiples tendered (and not withdrawn) by all tendering holders of Shares plus the number of ADSs tendered (and not withdrawn) by all tendering holders of ADSs. Proration for each holder of ADSs will be based on the ratio that the number of ADSs tendered (and not withdrawn) by such holder bears to the sum of the number of Share Multiples tendered (and not withdrawn) by all tendering holders of Shares plus the number of ADSs tendered (and not withdrawn) by all tendering holders of ADSs. If not more than 694,591,189 Shares (including Shares represented by ADSs) are validly tendered by the Expiration Date and not withdrawn, the U.S. Purchaser will, upon the terms and subject to the conditions of the U.S. Offer, purchase all Shares and/or ADSs so tendered and not withdrawn.

If proration of tendered Shares and/or ADSs is required, because of the difficulty of determining the number of Shares and ADSs validly tendered and not withdrawn, the U.S. Purchaser does not expect to be able to make the first payment of such proration until at least seven New York Stock Exchange trading days after the Expiration Date. Preliminary results of such proration will be announced by press release as promptly as practicable after such date. Holders of Shares and ADSs may obtain preliminary information from the Dealer Managers or Information Agent and may be able to obtain such information from their brokers. The U.S. Purchaser will not pay for any Shares or ADSs accepted for payment pursuant to the U.S. Offer until the final proration factor is known.

Tendering holders of Shares and/or ADSs will not be obligated to pay brokerage fees or commissions or, except as set forth in Instruction 6 of the ADS Letter of Transmittal, stock transfer taxes on the purchase of ADSs pursuant to the U.S. Offer.

For purposes of the U.S. Offer, the U.S. Purchaser shall be deemed to have accepted for payment Shares and ADSs validly tendered and not properly withdrawn if, as and when the U.S. Purchaser gives oral or written notice to the Receiving Agent of the U.S. Purchaser's acceptance of such Shares and ADSs. In all cases, payment for Shares and ADSs accepted for payment pursuant to the U.S. Offer will be made by deposit of the purchase price therefor with the Receiving Agent which will act as agent for tendering holders of Shares and/or ADSs for the purpose of receiving payment from the U.S. Purchaser and transmitting payments to such tendering holders of Shares and/or ADSs whose Shares and/or ADSs have been accepted for payment pursuant to the U.S. Offer. In all cases, payment for tendered Shares will be made only after timely receipt by the Receiving Agent of (i) *Title(s)* evidencing ownership of Shares, or a certificate from the *Depósito Central de Valores* (the "DCV") evidencing the number of Shares held on deposit in the case of Shares held at the DCV; (ii) a duly signed *Transpaso* stock transfer with the number of Shares in blank and power of attorney to complete such a *Transpaso* in the manner provided in the Form of Acceptance; (iii) in the case of Shares held on deposit at the DCV, a letter to the DCV instructing the DCV to perform a book-entry transfer in favor of the U.S. Purchaser; and (iv) all other required documents. In all cases, payment for tendered ADSs pursuant to the U.S. Offer will be made only after timely receipt by the Receiving Agent of (i) the certificates or other requisite documents evidencing such ADSs (or, in the case of ADSs held in book-entry form, timely confirmation of a book-entry transfer of such ADSs into the Receiving Agent's account at a Book-Entry Transfer Facility (as described in Section 4 of the U.S. Offer to Purchase); (ii) duly executed ADS Letter of Transmittal (or copy thereof) or agent's message (in the case of a book-entry transfer of ADSs); and (iii) all other documents required. Please see the U.S. Offer to Purchase for full details on the procedure for tendering Shares and ADSs.

Under no circumstances will interest be paid on the purchase price for the tendered Shares and/or ADSs, regardless of any delay in making such payment or extension of the Expiration Date.

The term "Expiration Date" shall mean 10:00 p.m., New York City time, on March 5, 1999, unless the U.S. Purchaser shall have extended the period of time for which the U.S. Offer is open, in which event the term "Expiration Date" shall mean the latest time and date at which the U.S. Offer, as so extended by the U.S. Purchaser, shall expire. Subject to applicable law, the U.S. Purchaser intends to extend the U.S. Offer as necessary to cause the U.S. Offer to expire, as nearly as practicable, within 24 hours after the completion of the Chilean Auction (as defined in the U.S. Offer to Purchase).

The U.S. Purchaser expressly reserves the right, in its sole discretion, at any time or from time to time, to extend for any reason the period of time during which the U.S. Offer is open, including upon the occurrence of any of the events specified in Section 16 of the U.S. Offer to Purchase, and thereby delay acceptance for payment of, or payment for, any Shares and ADSs, by giving oral or written notice of such extension to the Receiving Agent. Any such extension will be followed as promptly as practicable by public announcement thereof.

Tenders of Shares and ADSs made pursuant to the U.S. Offer may be withdrawn at any time prior to the Expiration Date. Thereafter, such tenders are irrevocable, except that they may be withdrawn after March 29, 1999 unless theretofore accepted for payment as provided in the U.S. Offer to Purchase. To be effective, a written, telegraphic, telex or facsimile transmission notice of withdrawal must be timely received by the Receiving Agent at its address set forth in the U.S. Offer to Purchase and must specify the name of the person who tendered the Shares and/or ADSs to be withdrawn and the number of Shares and/or ADSs to be withdrawn and the name of the registered holder of Shares and/or ADSs, if different from that of the person who tendered such Shares and/or ADSs. If the Shares and/or ADSs to be withdrawn have been delivered to the Receiving Agent, a signed notice of withdrawal with (except in the case of ADSs tendered by an Eligible Institution (as defined in the U.S. Offer to Purchase)) signatures guaranteed by an Eligible Institution must be submitted prior to the release of ADSs. In addition, such notice must specify, in the case of Shares and ADSs tendered by delivery of certificates, the name of the registered holder (if different from that of the tendering shareholder) and the serial numbers shown on the particular certificates evidencing the Shares and/or ADSs to be withdrawn or, in the case of Shares and ADSs tendered by book-entry transfer, the name and number of the account at one of the book-entry transfer facilities to be credited with the withdrawn Shares and ADSs. None of Purchaser, the Dealer Managers, the Receiving Agent, the Information Agent or any other person will be under any duty to give notification of any defect or irregularity in any notice of withdrawal or incur any liability for failure to give any such notification.

The information required to be disclosed by paragraph (c)(1)(vii) of Rule 14d-6 under the Securities Exchange Act of 1934 is contained in the U.S. Offer to Purchase and is incorporated herein by reference.

A request has been made to the Company for the use of its stockholder registry and security position listings for the purpose of disseminating the U.S. Offer to holders of Shares and ADSs. The U.S. Offer to Purchase, Form of Acceptance, ADS Letter of Transmittal and any other relevant materials will be mailed promptly to record holders of Shares and ADSs and will be furnished to brokers, dealers, commercial banks, trust companies and similar persons whose names or the names of whose nominees appear on the stockholder lists, or if applicable, who are listed as participants in a clearing agency's security position listing for subsequent transmission to beneficial owners of Shares and ADSs.

The Board of Directors of the Company will review the U.S. Offer and the Chilean Offer and, as the date hereof, has not taken a position with respect thereto.

The U.S. Offer to Purchase and the related Form of Acceptance, ADS Letter of Transmittal and ADS Notice of Guaranteed Delivery contain important information and should be read in their entirety before any decision is made with respect to the U.S. Offer.

In its claim, Loewen attacked the Mississippi verdict, which involved jury finding that Loewen used fraudulent practices to try to drive M. O'Keefe out of business. Loewen called the Mississippi court action an "uncompensated expropriation" of its property.

A Justice Department spokeswoman declined comment except to say the Government was fighting the claim, which she said lacked merit. But in the months since Loewen disclosed the existence of its case, critics have been warning about what they say are the dangers of it.

A victory by Loewen "would completely undermine the American civil justice system," said Joan Clarendon, president of Public Citizen, watchdog group that has been critical of Nafta. Forcing American taxpayers to pay Loewen for its losses, she said, would erode the aim of American courts to punish and deter wrongdoing.

James A. Wilderotter, a lawyer for Loewen, declined to respond to critics in detail. But he said, "Nafta is part of the American legal system and the right to bring the action we have brought is clearly found with Nafta."

IN THE UNITED STATES AND CHILE FOR UP TO
2,176,000,000 SHARES OF ENERSIS S.A. COMMON STOCK AT
CHILEAN PESOS 320 PER SHARE AND AT
CHILEAN PESOS 16,000 PER AMERICAN DEPOSITORY SHARE
(EACH ADS REPRESENTATIVE 50 SHARES OF COMMON STOCK)**

Santiago, Chile, January 28, 1999 – Endesa, S.A. (“Endesa”) (NYSE:ELE) today announced that it had commenced its tender offers (the “Offers”) in the United States and Chile for shares of common stock (the “Shares”) and American Depository Shares (the “ADSs”) representing in the aggregate up to 2,176,000,000 Shares (approximately 32% of the outstanding Shares) of Enersis S.A. (“Enersis”) at Chilean pesos 320 per share and Chilean pesos 16,000 per ADS (each representing 50 Shares), in each case, net to the seller in cash.

The United States tender offer (the “U.S. Offer”) is open to holders of ADSs and holders of Shares who are not Chilean persons. The U.S. Offer, proration period and withdrawal rights expire at 10:00 p.m. New York City time on Friday, March 5, 1999 unless the U.S. Offer is extended. The Chilean offer is being structured as a “remate,” a form of auction on the Santiago Stock Exchange (the “Chilean Auction”) and is an offer for Shares only. The Chilean Auction will be open to Chilean persons only. The purchaser in the Chilean Auction will purchase Shares during, but outside of the U.S. Offer pursuant to the Chilean Auction. These purchases may be made at prices higher than the U.S. Offer Price; however, if purchases are made at a higher price, the U.S. Offer Price will be increased to the highest price paid in the Chilean Auction.

The maximum number of Shares and ADSs to be purchased in the U.S. Offer is 694,591,189 Shares (including Shares represented by ADSs) representing approximately 10.21% of the capital stock of Enersis and the maximum number of Shares to be purchased in the Chilean Auction, is 1,481,408,811 Shares representing approximately 21.79% of the capital stock of Enersis. If more than the maximum number of Shares (and/or ADSs) allocated to either of the Offers is validly tendered and not withdrawn, Endesa will purchase Shares (and/or ADSs) up to the respective maximum number of Shares on a *pro rata* basis.

The Offers will not proceed unless Enersis shareholders adopt an amendment to the Enersis bylaws (by the affirmative vote of holders of at least 75% of the outstanding Shares) at a shareholders meeting currently scheduled for February 24, 1999. The amendment would increase the percentage of the Enersis Shares that may be owned by a single shareholder (or group of shareholders) from 32% to 65% of the outstanding Shares of Enersis.

The purpose of the Offers is to acquire control (including majority representation on the Board of Directors of, and a majority of the equity interest in, Enersis.

The Board of Directors of Enersis has scheduled an extraordinary meeting of the Enersis shareholders for February 4, 1999 to allow shareholders to express their position regarding a possible sale of Enersis’s controlling interest in Endesa-Chile. Endesa does not believe that a sale would be in the best interest of the Enersis shareholders and intends to vote the 31.9% stake that it holds in Enersis against a sale. The Offers are not conditioned on any particular outcome at the February 4th Shareholders Meeting. The Offers are subject, however, to certain other customary conditions.

Endesa filed with the SEC a Schedule 14D-1 relating to the U.S. Offer. Investors should refer to the Schedule 14D-1 for more information.

(Endesa Chile).
