(the “**Company**” or “**Dominion**”) releases the execution of an agreement for the acquisition of 60% and a call option over an additional 20% of the share capital of the Spanish company Flip Energia S.L., involved in the energy and utilities consumption management. Initially, Dominion shall acquire 60% of the share capital of Alterna, for an amount of 5,9 million euros which have been paid on signing. As a second step, Dominion holds a call option for the acquisition of an additional 20% of the share capital to be exercised during 2020 for a price equal to three times the EBITDA generated by Alterna in 2020.
