

WARNING BY THE CSSF

The Commission de Surveillance du Secteur Financier (CSSF) warns the public of the activities of an entity named TradeLikeTom (website www.tradeliketom.com) which offers online trading services to investors, by claiming to provide access to a regulated Luxembourg investment account.

The CSSF informs the public that TradeLikeTom is not under the prudential supervision of the CSSF and has not been granted the required authorisation to offer such services in or from Luxembourg.
