

Al transcribir a la versión en inglés la Declaración Intermedia de Gestión de Repsol correspondiente al primer trimestre del ejercicio 2020, registrada en la Comisión Nacional del Mercado de Valores el 5 de mayo de 2020, se produjo un error material en algunas filas de las tablas de la “Cuenta de resultados” y del “Estado de ingresos y gastos reconocidos NIIF UE”, contempladas en el “Anexo III Estados Financieros Consolidados NIIF – UE”, de forma que algunos de los importes recogidos en dichas tablas no coinciden con sus correspondientes conceptos.

A continuación, se acompañan las referidas tablas del “Anexo III Estados Financieros Consolidados NIIF – UE” corregidas y con las siguientes modificaciones remarcadas en rojo:

- En la tabla “Cuenta de resultados” se han alineado los conceptos con sus correspondientes importes desde “(Dotación)/Reversión de provisiones por deterioro” hasta “Amortización del inmovilizado”.
- En la tabla “Estado de ingresos y gastos reconocidos NIIF UE” se han alineado los conceptos con sus correspondientes importes desde “Otro resultado Global (Partidas no reclasificables al resultado)” hasta “Efecto impositivo”.

*When transcribing to the English version Repsol's Intermediate Management Statement corresponding to the first quarter of the fiscal year 2020, registered with the “Comisión Nacional del Mercado de Valores” in Spain on May 5th, 2020, a material error occurred in some rows of the tables “Income Statement” and “Recognized Income and Expense Statement”, under the “Appendix III – IFRS Consolidated Financial Statements” where some of the figures on those tables do not match with their corresponding concepts.*

*The corrected tables in “Appendix III – IFRS Consolidated Financial Statements” are attached below with the following modifications highlighted in red:*

- *In the table "Income Statement" the concepts have been aligned with their corresponding amounts from "(Provision for)/Revisions of provisions for impairment" to "Amortization and depreciation of non-current assets".*
- *In the table "Recognized Income and Expense Statement" the concepts have been aligned with their corresponding amounts from "Other comprehensive income. Items not reclassifiable to net income" to "Tax effect".*
