Changes in the Amadeus Management Executive Committee

Amadeus today announces that Mr. Sylvain Roy has been appointed SVP of Technology, Platforms Engineering at Amadeus (TPE), replacing Mr. Dietmar Fauser who tendered his resignation for personal reasons at the end of September 2019.

Mr. Roy, who in his most recent role as Vice President was leading Amadeus' R&D Airlines Digital products and services organization covering more than 700 employees across 10+ sites worldwide, is an established engineering and technical leader at Amadeus, with proven expertise and experience across the full range of Amadeus' technology spectrum after more than fifteen years with the business.

He is a French native and holds a master's degree in Computer Science from the Ecole Polytechnique of Paris.

Mr. Roy will also join the company's Executive Committee effective as soon as possible.
