Central Bank of Ireland Issues Warning on Unauthorised Firm – Euro Loans

The Central Bank of Ireland ('Central Bank') today, 30 December 2020, published the name of an unauthorised firm, **Euro Loans (Unknown)** – <http://www.eurotopocket.com> ([website inactive](#)), in order to warn the public that it is **not authorised by the Central Bank to provide financial services**.

Euro Loans (Unknown) is advertising loans on its website but it **holds no authorisation from the Central Bank** as a Retail Credit firm.

A list of unauthorised firms published to date is available on the Central Bank [website](#).

It is a criminal offence for an unauthorised firm / person to provide financial services in Ireland that would require an authorisation under the relevant legislation, which the Central Bank is the responsible body for enforcing. Consumers should check the Central Bank [registers](#) online to find out if a firm / person they are dealing with is authorised. Consumers should be wary of advertisements offering loans from unauthorised firms or persons.

There are some general steps that individuals should take before dealing with firms / persons which purport to offer financial services:

- If you wish to obtain a financial product such as a loan, insurance, investment or pension, or if you wish to obtain a financial service such as investment advice, you should only deal with a Central Bank authorised firm / person – [check our Register](#) to see if the firm / person is authorised. Always access the Register from our website, rather than through links in emails or on a firm's / person's website.

- Always double-check the URL and contact details of a firm / person in case it is a 'clone firm / person' pretending to be an authorised firm / person, such as your bank or a genuine investment firm.
- Check the [list of unauthorised firms](#). If the firm / person is not on our list, do not assume it is legitimate – it may not have been reported to the Central Bank yet.

For further information, please visit the [Avoiding Scams and Unauthorised Activity](#) section of the Central Bank's website.

Any person wishing to contact the Central Bank with information regarding such firms / persons may telephone (01) 224 4000. This line is also available to the public to check if a firm is authorised.
