BERG COMMODITIES

The Financial Services and Markets Authority (FSMA) warns the public against the activities of Berg Commodities, a company that claims to offer investment services and insurance services.

Berg Commodities does not have an authorization in Belgium as an investment firm or as an insurance company, nor is it registered as an insurance intermediary. It is therefore not allowed to provide investment or insurance services in or from Belgium.

Berg Commodities gives its address as "Chaussée Waterloo, 1050 Brussels" without indicating a house number.

The FSMA therefore advises **against responding to any offers of service** made by Berg Commodities and **against transferring money** to any account number it might mention.

Would you like to enquire more generally as to the regularity of a transaction being proposed? If so, please consult the [Consumers](#) page on the FSMA website (www.fsma.be) or contact the 'Relations with Consumers of Financial Services' department (tel.: +32 2 220 59 10; email address: peri@fsma.be).
