COMMUNICATION OF A RELEVANT FACT

MASMOVIL GROUP

8 November 2018

In accordance with Article 17 of the Regulation (EU) no. 596/2014 on market abuse and Article 228 of the Securities Market Act passed by Legislative Royal Decree 4/2015 of 23 October and concordance rules, we inform about the following Relevant Fact referred to MASMOVIL IBERCOM, S.A. ("MASMOVIL", "MASMOVIL GROUP" or the "Company"):

RELEVANT FACT

As a continuation of the relevant fact published yesterday (registration number 271293), in relation to the capital increase through an Accelerated Bookbuilding Offering without shareholders' pre-emption rights (the "**Capital Increase**"), MASMOVIL communicates that, upon completion of the bookbuild exercise undertaken by Morgan Stanley & Co. International plc, acting as Sole Global Coordinator and Joint Bookrunner, together with Barclays Bank PLC, Goldman Sachs International, Société Générale and BNP Paribas acting as Joint Bookrunners, the final terms and conditions of the Capital Increase have been set as follow:

- a) The Capital Increase will consist of a total nominal amount of 360,000 euros, through the issuance of 3,600,000 ordinary shares of MASMOVIL with a nominal amount of ten cents (0.10 euros) each, of the same class and series that the ones that are currently in circulation (the "**New Shares**").
- b) The issuance price (par value plus share premium) of the New Shares has been set at the amount of 100 euros per share.
- c) Consequently, the total amount of the Capital Increase (including the par value and the share premium of all the New Shares) will amount to 360,000,000 euros, 360,000 euros corresponding to the nominal amount and 359,640,000 euros corresponding to the share premium. The New Shares will represent 17.6% of the share capital of MASMOVIL before the Capital Increase and a 15.0% of its share capital after the Capital Increase.

It is expected that the New Shares will be admitted to trading on the Stock Exchanges of Madrid, Barcelona, Bilbao and Valencia on Monday, 12 November 2018, so that their ordinary negotiation begins on Tuesday 13 November 2018.

As indicated in the relevant fact published yesterday, ACS, Actividades de Construcción y Servicios, S.A. ("**ACS**") has participated in the Capital Increase, with an order for 700,000 shares out of the total 3.6 million shares to be issued.

The Capital Increase, together with the funds provided by the Company of 120 million euros, allows for the full repurchase of the debt convertible into shares owed to ACS ("**Convertible Debt**"), for a total gross consideration (before deducting ABO commissions, which will be borne by ACS) of 480 million euros (the "**Repurchase**").

As anticipated in the relevant fact published yesterday, the Repurchase and its financing has a positive impact on the Company given that:

- The Repurchase implies a reduction of the dilutive impact of the conversion of the total Convertible Debt of approximately 1.2 million shares (which represents almost 6% of the Shares issued by the Company prior to the Capital Increase, or 5% after the Capital Increase).
- In terms of an increase in fully diluted net profit per share ("**Fully Diluted EPS**"), considering the conversion of all convertible instruments issued by the Company, MASMOVIL estimates the Repurchase will result in a Fully Diluted EPS accretion of 6.1% for 2019 and 5.4% for 2020, based on market analysts' consensus¹.
- The Repurchase eliminates the potential volatility in the share price which could have resulted from the conversion in full of the Convertible Debt, had the conversion process been followed under the terms of the Convertible Debt, as it would have implied a long period between the announcement of the request for conversion and its effective conversion.
- The financing of the Repurchase is carried out without material changes to the Company's financial leverage (whereby the amount of the cash assets contributed by MASMOVIL in the Repurchase serves to cancel existing debt (Convertible Debt) accounted for 150 million euros in the Company's balance sheet) and with certain improvements to its financial structure, as such cash assets are financed with new fully subordinated debt incurred by the Company.
- The Capital Increase will increase both the Company's free float as well as the liquidity of the MASMOVIL shares, it will allow the entrance of institutional investors in the Company's share capital and will favour the possible incorporation of MASMOVIL shares on national stock exchange indexes.

Exclusion of pre-emption rights and justification of corporate interest. As it is stated in the relevant fact published yesterday, and with the aim of placing the New Shares among the target investors, the exclusion of shareholders' pre-emption rights was approved as such exclusion was required to carry out the accelerated bookbuilding offering and, in light of the economic and financial advantages of this placement mechanism, by the corporate interest. The report issued by the Board of Directors and the report issued by BDO Auditores, S.L.P. in its capacity as independent expert other than the Company's auditor duly appointed by the Mercantile Registry of Guipúzcoa, are attached hereto.

Clifford Chance, Castañeda Abogados (which holds the secretary of MASMOVIL's Board of Directors) and Evergreen Legal have acted as advisors to the Company and White & Case LLP has acted as legal advisor to the Joint Bookrunners.

Information to distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on Markets in Financial Instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the New Shares have been subject to a product approval process, which has determined that such shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**Target Market Assessment**").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the New Shares may decline and investors could lose all or part of their investment; the New Shares offer no guaranteed income and no capital protection; and an investment in the New Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Managers will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the New Shares.

Each distributor is responsible for undertaking its own Target Market Assessment in respect of the New Shares and determining appropriate distribution channels.
