TSB migration and business update

TSB mobile app, online banking, telephony and branch channels are much improved

- **Significant progress has been made** to address the issues experienced by many customers in accessing different channels after the migration
- TSB's **mobile app, online banking, telephone banking and branch service levels are now much improved - and have been for some time**
- **Work is continuing** to minimise the level of future service interruptions
- **Migration of customer data** took place **as planned** as part of a **very complex project**:
 - Over 1.4 billion records of 5.2 million customers were transferred successfully
 - The **core banking platform has been operating correctly**, ensuring integrity of the data and accurate transaction settlements
- TSB has recruited over 1,800 people and redeployed 700 existing employees into customer-facing roles to mitigate customer impact
- TSB has received c.133k complaints, with **37% of complaints resolved** YTD
 - A **provision has been created this quarter** to deal with the cost of the programme, in addition to future customer redress cost

The new platform will deliver benefits to TSB and to TSB customers

- Enabler to improve **operational efficiency** and develop a competitive value proposition – unleashing the **capacity to create innovative products**
- Meaningful **competitive advantage** in term of time-to market of new product features and enhancements

Positive lending and current account growth in the quarter

- **Franchise mortgage lending** (excl. Whistletree) increased **+1.6% QoQ**. Total lending increased +0.7% QoQ
- c. 26,000 customers switched out from TSB in the quarter (out of more than 5 million customer base), while more than **20,000 customers opened a new bank account** or switched their account to TSB, with total current accounts growing **+0.6% QoQ**
- **Key commercial remediation actions launched for TSB customers**:
 - **Waived fees and charges** (overdraft, credit card over limit and business banking interest and fees) for three months
 - **Increased Classic Plus Account interest** from 3% to 5%
- **Robust liquidity with one of the strongest capital position** among UK banks (FL CET1 ratio of 19.2%)

Group results impacted by several extraordinary items post TSB's IT migration

Q2 TSB extraordinary items' impact on Sabadell Group results

In million EUR

Waiver of overdraft charges/interest and fees	-33.2
Classic plus account - interest increased to 5%	-2.7
NII and fees	-35.9
Losses from fraud and other losses	-39.8
Other operating results	-39.8
Specialists	-11.1
Customers communication	-3.7
Other resources	-20.3
Costs	-35.0
Customer redress provisions	-92.4
Provisions	-92.4
Total impact	-203.1

Additional extraordinary costs related to TSB's IT migration expected in 2H18 limited to:

- ▶ Classic plus account interest cost
- ▶ Resources cost (overtime pay, additional staff and expert support)

2019 is expected to be a normalised year for TSB

2

Profitability and efficiency

Sabadell remains top ranked in the Spanish sector according to service quality and customer experience

Level of service quality¹

Evolution of Sabadell quality index vs. sector

Net promoter score (“NPS”)²

	2018	Ranking
Large enterprises (turnover >€5M)	36%	1 st
SMEs (turnover <€5M)	18%	1 st
Personal banking	30%	2 nd
Retail banking	4%	3 rd

Sabadell continues to be perceived well above the spanish sector average in terms of service quality. NPS² ranking positions: 1st in SMEs and large enterprises, 2nd in personal banking and 3rd in retail banking

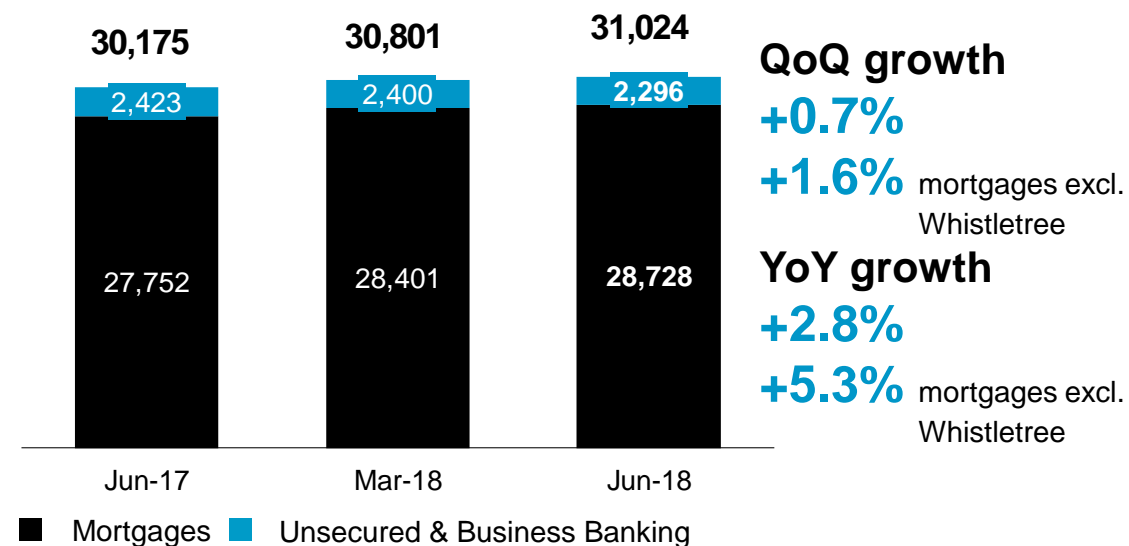

¹ Source: STIGA, EQUOS (Objective Quality Analysis in Banking Networks, Q2 2018). Cumulative data.

² Source: Benchmark NPS Accenture Report. Net promoter score (NPS) is based on the question “On a scale of 0-10, where 0 is not at all likely and 10 is extremely likely, how likely is it that you would recommend Sabadell to a friend or colleague?” NPS is the percentage of customers who score 9-10 after subtracting the percentage who score 0-6. Considers peer group entities. Data as last available month.

TSB saw positive lending and current account growth in the quarter

Total customer lending (net)

In million GBP

- **Positive trend continues with Franchise mortgage lending** (excl. Whistletree) growing by **+1.6% QoQ** and **+5.3 YoY**, despite having slowed down volume growth intentionally in order to facilitate IT migration

Total customer deposits

In million GBP

- **Current accounts increased** by **+0.6% QoQ** and **+9.1% YoY**
- **Savings deposits** reduction reflects pricing decisions taken early in 2018 to manage deposit volumes through the 2018 'ISA season' given TSB's strong liquidity position

Note: Customer lending and deposits includes micro fair value hedge accounting adjustment.

Solvency and asset quality

2Q18 highlights: Solvency and asset quality

FL CET1 ratio decreased in the quarter mainly impacted by several one-offs

Fully-loaded Common Equity Tier 1 evolution

In percentage

Fully loaded CET1 ratio was mainly impacted QoQ by:

- **Valuation adjustments¹** in the Fair Value OCI portfolio
- TSB increase in **RWAs²**
- **SAREB** equity impairment...

... although it was partially offset by the impact of the **institutional NPAs sales** announced

Post institutional NPA sales, our fully-loaded CET1 ratio pro forma stands at 11.2%, and phase-in CET1 ratio pro forma stands at 12.2%

¹ Includes adjustments from both the fair value OCI portfolio and FX adjustments.

² TSB increase in RWAs due to an adjustment in the mortgage IRB models in order to apply the 90 days default definition instead of 180 days default definition with the aim to align TSB models with SSM and Group criteria.

The Group NPL ratio has been reduced significantly to 4.71%, and 4.50% when including institutional NPA sales

Sabadell Group

Disclaimer

This presentation (the "Presentation") has been prepared and is issued by, and is the sole responsibility of Banco de Sabadell, S.A. ("Banco Sabadell" or "the Company"). For the purposes hereof, the Presentation shall mean and include the slides that follow, any prospective oral presentations of such slides by the Company, as well as any question-and-answer session that may follow that oral presentation and any document or informative materials distributed at, or in connection with, any of the above.

The information contained in the Presentation has not been independently verified and some of the information is in summary form. No representation or warranty, express or implied, is made by Banco Sabadell or any of its affiliates (Banco Sabadell Group), nor by their directors, officers, employees, representatives or agents as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions expressed herein. None of Banco Sabadell nor any of its affiliates, nor their respective directors, officers, employees, representatives or agents shall have any liability whatsoever (in negligence or otherwise) for any direct or consequential loss, damages, costs or prejudices whatsoever arising from the use of the Presentation or its contents or otherwise arising in connection with the Presentation, save with respect to any liability for fraud, and expressly disclaim any and all liability whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise, in connection with the accuracy or completeness of the information or for any of the opinions contained herein or for any errors, omissions or misstatements contained in the Presentation.

Banco Sabadell cautions that this Presentation may contain forward looking statements and estimates with respect to the business, financial condition, results of operations, strategy, plans and objectives of the Banco Sabadell Group. While these forward looking statements and estimates represent Banco Sabadell Group current judgment on future expectations concerning the development of its business, a certain number of risks, uncertainties and other important factors could cause actual results to differ materially from Banco Sabadell Group expectations. These factors include, but are not limited to, (1) market situation, macroeconomic factors, governmental, political and regulatory trends; (2) movements in local and international securities markets, currency exchange rate and interest rates; (3) competitive pressures; (4) technical developments; (5) changes in the financial position or credit worthiness of Banco Sabadell Group customers, obligors and counterparts. These and other risk factors published in Banco Sabadell Group past and future reports and documents, including those filed with the Spanish Securities and Exchange Commission ("CNMV") and available to the public both in Banco Sabadell's website (www.grupobancosabadell.com) and in the CNMV's website (www.cnmv.es), as well as other risk factors currently unknown or not foreseeable, which may be beyond Banco Sabadell's control, could adversely affect our business and financial performance and cause actual results to differ materially from those implied in the forward-looking statements and estimates.

The information contained in the Presentation, including but not limited to forward-looking statements and estimates, is provided as of the date hereof and is not intended to give any assurances as to future results. No person is under any obligation to update, complete, revise or keep current the information contained in the Presentation, whether as a result of new information, future events or results or otherwise. The information contained in the Presentation may be subject to change without notice and must not be relied upon for any purpose.

This Presentation contains financial information derived from Banco Sabadell Group's unaudited financial statements for the second quarter of 2018. None of this financial information has been audited by our auditors. Financial information by business areas is presented according to International Financial Reporting Standards (IFRS) as well as internal Banco Sabadell Group's criteria as a result of which each division reflects the true nature of its business. These criteria do not follow any particular regulation and could include estimates and subjective valuations which could represent substantial differences in the information presented, should a different methodology be applied.

In addition to the financial information prepared in accordance with the IFRS, this Presentation includes certain Alternative Performance Measures ("APMs") as defined in the Guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415es). The APMs are performance measures that have been calculated using the financial information from Banco Sabadell Group but that are not defined or detailed in the applicable financial information framework and therefore have neither been audited nor are capable of being completely audited. These APMs are used to allow for a better understanding of the financial performance of the Banco Sabadell Group but should be considered only as additional information and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Banco Sabadell Group defines and calculates these APMs may differ to the way these are calculated by other companies that use similar measures, and therefore they may not be comparable. Please refer to the quarterly financial Report (https://www.grupbancsabadell.com/INFORMACION_ACCIONISTAS_E_INVERSORES/INFORMACION_FINANCIERA/INFORMES_TRIMESTRALES) for further details of the APMs used, including its definition or a reconciliation between any applicable management indicators and the financial data presented in the consolidated financial statements prepared under IFRS.

Market and competitive position data in the Presentation have generally been obtained from industry publications and surveys or studies conducted by third-party sources. Peer firm information presented herein has been taken from peer firm public reports. There are limitations with respect to the availability, accuracy, completeness and comparability of such data. Banco Sabadell has not independently verified such data and can provide no assurance of its accuracy or completeness. Certain statements in the Presentation regarding the market and competitive position data of Banco Sabadell are based on the internal analyses of Banco Sabadell, which involve certain assumptions and estimates. These internal analyses have not been verified by any independent source and there can be no assurance that the assumptions or estimates are accurate. Accordingly, undue reliance should not be placed on any of the industry, market or Banco Sabadell's competitive position data contained in the Presentation.

The distribution of this Presentation in certain jurisdictions may be restricted by law. Recipients of this Presentation should inform themselves about and observe such restrictions. Banco Sabadell disclaims any liability for the distribution of this Presentation by any of its recipients.

Banco Sabadell is not nor can it be held responsible for the use, valuations, opinions, expectations or decisions which might be adopted by third parties following the publication of this Presentation.

No one should acquire or subscribe for any securities in the Company on the basis of this Presentation. This Presentation does not constitute or form part of, and should not be construed as, (i) an offer, solicitation or invitation to subscribe for, acquire, sell, issue, underwrite or otherwise acquire any securities, nor shall it, or the fact of its communication, form the basis of, or be relied upon in connection with, or act as any inducement to enter into any contract or commitment whatsoever with respect to any securities; or (ii) any form of financial opinion, recommendation or investment or financial advice with respect to any securities.

By receiving or accessing to this Presentation you accept and agree to be bound by the foregoing terms, conditions and restrictions.
