To the Directors of Másmóvil Ibercom, S.A.

As requested by the Board of Directors of Másmóvil Ibercom, S.A. (the "Company") and in accordance with our proposal letter dated 6 February 2020, we have applied certain procedures to the "Information concerning the ICFR" attached in section F of the Annual Corporate Governance Report of Másmóvil Ibercom, S.A. for 2019, which summarises the Company's internal control procedures for annual financial reporting.

The Directors are responsible for adopting appropriate measures to reasonably ensure the implementation, maintenance and oversight of an adequate system of internal control, the development of improvements to that system and the preparation and definition of the content of the information concerning the ICFR attached.

In this respect, it should be borne in mind that irrespective of the quality of the design and operation of the internal control system adopted by the Company in relation to annual financial reporting, the system may only provide reasonable, but not absolute assurance in relation to the objectives pursued, due to the limitations inherent in any internal control system.

In the course of our audit work on the annual accounts and in accordance with Technical Auditing Standards, our evaluation of the Company's internal control was solely aimed at enabling us to establish the scope, nature and timing of the audit procedures on the Company's annual accounts. Consequently, the scope of our evaluation of the internal control, performed for the purposes of the audit of accounts, was not sufficient to enable us to issue a specific opinion on the efficiency of this internal control over regulated annual financial reporting.

For the purposes of issuing this report, we have applied only the specific procedures described below and set out in the Guidelines for preparing the auditor's report on the information on the system of internal control over financial reporting of listed entities, published on the website of the Spanish National Securities Market Commission (CNMV), which defines the work to be performed, the minimum scope of the work and the content of this report. As the scope of the work resulting from these procedures is in any event limited and substantially less than that of an audit or review of the internal control system, we do not express an opinion on its effectiveness or design or operational efficiency, with respect to the Company's annual financial reporting for 2019 described in the attached Information concerning the ICFR. Consequently, had additional procedures other than those defined in the aforementioned Guidelines been applied, or an audit or review been performed of the internal control system in relation to regulated annual financial reporting, other events or matters could have been identified, which would have been reported to you.

Moreover, as this special engagement does not constitute an audit of accounts nor is it subject to prevailing legislation regulating the audit of accounts in Spain, we do not express an audit opinion in the terms envisaged in such legislation.

The procedures applied were as follows:

1. Reading and understanding of the information prepared by the Company in relation to the ICFR – disclosures included in the directors' report – and evaluation of whether it covers all the information required, taking into account the minimum content described in Section F, concerning the description of the ICFR, the Annual Corporate Governance Report model set out in Spanish National Securities Market Commission (CNMV) Circular 5/2013 of 12 June 2013, subsequently amended by CNMV Circular 7/2015 of 22 December 2015 and CNMV Circular 2/2018 of 12 June 2018 (hereinafter, the CNMV Circulars).
2. Inquiries of personnel responsible for preparing the information detailed in point 1 above in order to: (i) gain an understanding of the preparation process; (ii) obtain information that allows us to assess whether the terminology used conforms to the definitions contained in the reference framework; (iii) obtain information on whether the control procedures described are in place and operational in the Company.
3. Review of explanatory documentation supporting the information detailed in point 1 above, and which will mainly include that made directly available to those responsible for preparing the descriptive information on the ICFR. This documentation includes reports prepared by internal audit, senior management and other internal or external specialists supporting the audit committee.
4. Comparison of the information detailed in point 1 above with the understanding of the Company's ICFR gained as a result of the procedures performed within the framework of the audit work on the annual accounts.
5. Reading of the minutes of the meetings of the Board of Directors, audit committee and other committees of the Company for the purposes of assessing the consistency of the matters discussed at these meetings in relation to the ICFR with the information detailed in point 1 above.
6. Procurement of a representation letter concerning the work performed, duly signed by those responsible for preparing and drawing up the information detailed in point 1 above.

As a result of the procedures applied to the Information concerning the ICFR, no inconsistencies or incidents have come to light that could affect it.

This report has been prepared exclusively in the context of the requirements established in article 540 of the Revised Spanish Companies Act and the CNMV Circulars for the purposes of the description of the ICFR in Annual Corporate Governance Reports.
