Final Terms
dated 01 June 2011

with respect to the

Base Prospectus
dated 24 February 2011

relating to

**Warrants
relating to the
EUR/USD Exchange Rate
(2nd Tranche)**

to be publicly offered in the Kingdom of Spain and
to be admitted to trading on a regulated market in the Kingdom of Spain

In addition to the information relevant to individual issues, these Final Terms repeat some of the information set out in the Base Prospectus dated 24 February 2011 regarding the Securities where the Issuer deems such information necessary in order to satisfy the investor's need for information in relation to the respective issue of Securities.

RISK FACTORS

The purchase of warrants issued (the "**Warrants**") is associated with certain risks. The information set forth hereinafter merely describes the major risks that are associated with an investment in the Warrants in the Issuer's opinion. In this regard, however, **the Issuer expressly points out that the description of the risks associated with an investment in the Warrants is not exhaustive.**

In addition, the order in which such risks are presented does not indicate the extent of their potential commercial effects in the event that they are realised, or the likelihood of their realisation. The realisation of one or more of said risks may adversely affect the assets, finances and profits of Commerzbank Aktiengesellschaft or the value of the Warrants themselves.

Moreover, additional risks that are not known at the date of preparation of the Base Prospectus and these Final Terms or are currently believed to be immaterial could likewise have an adverse effect on the value of the Warrants.

The occurrence of one or more of the risks disclosed in the Base Prospectus, any supplement and/or these Final Terms or any additional risks may lead to a material and sustained loss and, depending on the structure of the Warrant, even result in the **total loss** of the investor's capital.

Investors should purchase the Warrants only if they are able to bear the risk of losing the capital invested, including any transaction costs incurred.

Potential investors in the Warrants must in each case determine the suitability of the relevant investment in light of their own personal and financial situation. In particular, potential investors should in each case:

- have sufficient knowledge and experience to make a meaningful evaluation of the Warrants, the merits and risks of investing in the Warrants and/or the information contained or incorporated by reference in the Base Prospectus or any applicable supplement and all the information contained in these Final Terms;
- have sufficient financial resources and liquidity to bear all of the risks associated with an investment in the Warrants;
- understand thoroughly the Terms and Conditions pertaining to the Warrants and be familiar with the behaviour of any relevant Underlying and the financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect the value of their investment and be able to bear the associated risks.

These risk warnings do not substitute advice by the investor's bank or by the investor's legal, business or tax advisers, which should in any event be obtained by the investor in order to be able to assess the consequences of an investment in the Warrants. Investment decisions should not be made solely on the basis of the risk warnings set out in the Base Prospectus, any supplement and/or these Final Terms since such information cannot serve as a substitute for individual advice and information which is tailored to the requirements, objectives, experience, knowledge and circumstances of the investor concerned.

The Warrants are subject to - potentially major - price fluctuations and may involve the risk of a **complete or partial loss** of the invested capital (including any costs incurred in connection with the purchase of the Warrants). Since, in the case of Warrants, the Cash Amount is linked to an Underlying, Warrants are investments that might not be suitable for all investors.

The Warrants may have complex structures, which the investor might not fully understand. The investor might therefore underestimate the actual risk that is associated with a purchase of the Warrants. Therefore, potential investors should study carefully the risks associated with an investment in the Warrants (with regard to the Issuer, the type of Warrants and/or the Underlying, as applicable), as well as any other information contained in the Base Prospectus, any supplements thereto as well as these Final Terms, and possibly consult their personal (including tax) advisors. Prior to purchasing Warrants, potential investors should ensure that they fully understand the mechanics of the relevant Warrants and that they are able to assess and bear the risk of a **(total)** loss of their investment. Prospective purchasers of Warrants should in each case consider carefully whether the Warrants are suitable for them in the light of their individual circumstances and financial position.

It is possible that the performance of the Warrants is adversely affected by several risk factors at the same time. The Issuer, however, is unable to make any reliable prediction on such combined effects.

Other general risks associated with the purchase of the Warrants (such as factors influencing the price of the Securities at the time of issue and in the secondary market, conflicts of interest, hedging risks, interest rate and inflationary risks, as well as currency risks) are set out in the detailed provisions of the Base Prospectus dated 24 February 2011.

Special risks relating to plain Warrants

- **General**

Warrants will grant the investor to the right to receive the payment of a Cash Amount corresponding to the difference, converted into EUR if necessary, multiplied by the Ratio by which the Reference Price of the Underlying (an exchange rate) on the Valuation Date exceeds (in the case of Call Warrants) or is exceeded by (in the case of Put Warrants) the Strike set out in the Terms and Conditions. Whether the holder of the Warrants is entitled to a relevant payment will to a significant extent depend upon the performance of the Underlying during the term of the Warrants.

The value of the Warrant in the secondary market will normally undergo a corresponding development: a call warrant will normally (i.e. by leaving out of account any other factors relevant for the formation of Warrant prices) lose value if the price of its Underlying falls. Conversely, the value of a put warrant will fall if the price of its Underlying rises.

"American warrants" are Warrants that can be exercised during the Exercise Period. If they are not exercised during the Exercise Period – as provided for in the relevant Terms and Conditions – the Warrants will be deemed automatically exercised on the last day of the Exercise Period, provided that the Cash Amount is a positive amount (Automatic Exercise).

The right to receive the Underlying itself instead of the Cash Amount is excluded.

- **Loss risks**

Warrants are particularly risky investment instruments that entail the risk of a complete loss of the purchase price paid for the Warrants. This will specifically be the case if the Underlying's Reference Price does not exceed (in the case of Call Warrants) or is not below (in the case of Put Warrants) the Strike and, in view of the remaining term of the Warrants, it can no longer be expected that the Underlying's Reference Price will move in the desired direction once more in time before the expiry of the Warrants. It must be noted that a change in the price of the Warrants' Underlying (e.g. a share), or even the non-materialisation of an expected change therein, may result in a disproportionate change in the Warrants' value and may even render them worthless.

In addition, any economic considerations regarding an investment in the Warrants must also take into account the costs associated with their purchase or sale.

In addition, investors bear the risk that the Issuer's financial situation may deteriorate - or that insolvency proceedings might be instituted with regard to its assets - and that the Issuer might therefore default on the payments due under the Warrants.

- **No regular income**

The Warrants represent neither a claim to interest nor dividend payments and thus do **not** generate any regular income. This means that it may not be possible to compensate for potential value losses associated with an investment in the Warrants through income generated in connection therewith.

- **Warrants are unsecured obligations (Status)**

The obligations under the Warrants constitute direct and unconditional obligations of the Issuer that are not subject to a real charge (*nicht dinglich besichert*) and, unless otherwise provided by applicable law, rank at least *pari passu* with all other unsubordinated obligations of the Issuer that are not subject to a real charge. They are neither secured by the Deposit Protection Fund of the Association of German Banks (*Einlagensicherungsfonds des Bundesverbands deutscher Banken e.V.*) nor by the German Deposit Guarantee and Investor Compensation Act (*Einlagensicherungs- und Anlegerentschädigungsgesetz*).

This means that the investor bears the risk that the Issuer's financial situation may worsen - or that insolvency proceedings might be instituted with regard to its assets - and that the Issuer therefore might be unable to make any payments due under the Warrants. **Under these circumstances, a total loss of the investor's capital might be possible.**

The Issuer may enter into hedging transactions in the relevant underlying, but is under no obligation to do so. If hedging transactions are entered into, they shall exclusively inure to the benefit of the Issuer, and the investors shall have no entitlement whatsoever to the underlying or with respect to the hedging transaction. Hedging transactions entered into by the Issuer shall not give rise to any legal relationship between the investors and those responsible for the underlying.

- **Risk factors relating to the Underlying**

The value of a Warrant's Underlying depends upon a number of factors that may be interconnected. These may include economic, financial and political events beyond the Issuer's control.

The past performance of an Underlying should not be regarded as an indicator of its future performance during the term of the Warrants.

Exchange rates indicate the value ratio of a certain currency against another currency, i.e. the number of units in one currency that may be exchanged for one unit in the other.

Exchange rates are derived from the supply and demand in relation to currencies in the international foreign exchange markets. On the one hand, they are influenced by various economic factors, such as the rate of inflation in the relevant country, interest differences abroad, the assessment of the relevant economic development, the global political situation, the convertibility of one currency into another and the security of a financial investment in the relevant currency. On the other hand, they are influenced by measures undertaken by governments and central banks (e.g. foreign exchange controls and restrictions). In addition to these foreseeable factors, however, other factors might also be relevant that are difficult to estimate, such as factors of a psychological nature (such as crises of confidence in the political leadership of a country or other speculation). In some cases, such psychological factors may have a significant effect on the value of the relevant currency.

TAXATION

All present and future taxes, fees or other duties in connection with the Warrants shall be borne and paid by the holders of the Warrants. Taxation in the Kingdom of Spain

Withholding tax at source:

All amounts payable under the Warrants will be paid without deduction or withholding for or on account of any present or future taxes, duties or governmental charges whatsoever imposed or levied by or on behalf of the Federal Republic of Germany or any taxing authority therein. In the case that the Issuer will be compelled by law or other regulation to deduct or withhold such taxes, duties or governmental charges the Issuer will not pay any additional amounts to compensate the Warrantholder for such deduction or withholding.

Taxes payable in Spain:

This description is very general and does not intend to cover all considerations of a tax nature that may be significant in relation to a decision to invest in the Warrants. Potential investors should take into consideration the description and characteristics of each specific issue of Warrants and to consult with their lawyers or tax advisors in order to determine the tax implications for their specific situation (i.e., local regulations). Investors should likewise take into account the changes which may take place in the future in the tax laws and regulations in force at the present time.

1. Individuals or legal persons with residence in the Spanish territory

Personal Income Tax

In the case that the purchaser of the warrants is considered a taxpayer subject to the personal income tax (hereinafter, "**PIT**"), the purchase price paid for the Warrants will not be considered as a deductible expense, but as acquisition value which includes the expenses and commissions connected with the purchase of the Warrants paid by the purchaser.

The income obtained by the Warrantholder for selling the Warrants prior to the end of the Expiration Period will be considered as capital gain or loss under the terms of article 34 of the Law 35/2006, dated November 28, 2006, on the Personal Income Tax (hereinafter, "**PIT Act**"). The gain or loss shall be calculated as the difference between (i) the transfer price (after deduction of the expenses and commissions paid by the Warrantholder) and (ii) the acquisition value, as defined above.

Upon the exercise of the warrants (including the Automatic Exercise at the Expiration Date), capital gain or loss will be calculated as the difference between (i) the Cash Settlement Amount (after deduction of the expenses and commissions paid by the Warrantholder) and (ii) the acquisition value, as defined above.

In accordance with the provisions of the PIT Act, the capital gains will be exempt from withholding tax.

Gains or losses derived from the sale or exercise of the warrants will be taxed following the rules of the PIT Act.

Corporate Income Tax

In principle, the taxable income will be calculated by correcting, by application of the rules contained in the Corporate Income Tax Law, the accounting result determined in accordance with the applicable accounting legislation. As a consequence, Investors would be taxed depending on the specific accounting of the Warrant.

As a general rule, gains or losses realized by taxpayers subject to Corporate Income Tax either through the sale or the exercise of the Warrants will be included in their taxable income under the general provisions included in the Legislative Royal Decree 4/2004 of March 5, 2004, approving the Consolidated Text Act (CIT Act). Nevertheless, taxable income could arise before the sale or the exercise of the Warrants if its accounting implies the registration of losses and/or profits.

As stated before, capital gains will be exempt from withholding tax.

2. Individuals or legal persons not resident in the Spanish territory

As a general rule, according to article 13 of the Royal Decree 5/2004, March 5 on the Spanish non-resident income tax (hereinafter, "**NRIT**"), income obtained by non-Spanish residents holding the Warrants without permanent establishment in Spain will be considered as income obtained within the Spanish territory (and therefore, become taxable in Spain) only if such income derived from securities issued by an entity or person resident in the Spanish territory. Consequently, income from the Warrants should not be considered as obtained in the Spanish territory.

As a general rule, income obtained by a permanent establishment located in Spain of a non-resident would be subject to taxation, similar to that applicable to a Spanish company, without prejudice of the double taxation treaties signed by Spain.

3. Other direct Taxes: Net wealth Tax and Inheritance and Gift Tax

As a consequence of the holding of the Warrants, or its exercise or sale, other taxes could accrue. From January 2008 the Spanish Net Wealth Tax has been abolished.

TERMS AND CONDITIONS

§ 1 FORM

1. The Warrants (the "**Warrants**") of each series issued by Commerzbank Aktiengesellschaft, Frankfurt am Main, Federal Republic of Germany (the "**Issuer**") will be represented by a global bearer warrant (the "**Global Warrant**"), which shall be deposited with Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S. A., Plaza de la Lealtad, 1, 28014 Madrid, Spain (IBERCLEAR) (the "**Clearing System**").
2. Definitive warrants will not be issued. The right of the holders of Warrants (the "**Warrantholders**") to delivery of definitive Warrants is excluded. 3. The Global Warrant shall bear the hand-written signatures of two authorised officers of the Issuer.
4. The Issuer reserves the right to issue from time to time without the consent of the Warrantholders another tranche of Warrants with substantially identical terms, so that the same shall be consolidated to form a single Series and increase the total volume of the Warrants. The term "Warrants" shall, in the event of such consolidation, also comprise such additionally issued Warrants.

§ 2 DEFINITIONS

1. For the purposes of these Terms and Conditions, the following definitions shall apply:

"**Exercise Period**" shall be the period set out in paragraph 2.

"**Minimum Exercise Number of Warrants**" is 100 Warrants.

"**Payment Business Day**" means a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer System (TARGET) and the Clearing System settle payments in EUR.

"**Ratio**" shall be expressed as a decimal figure and be 10.0.

"**Relevant Conversion Rate**" shall be the Reference Price on the Valuation Date.

"**Reference Price**" shall be the official Euro foreign exchange reference rate in USD as determined by the European Central Bank and published on any day on Reuters page ECB37 (the "**ECB Reference Rate**").

If such ECB Reference Rate ceases to be published on Reuters page ECB37 and is published on another screen page, then the Reference Price shall be the ECB Reference Rate as published on such other page (the "**Successor Page**"). The Issuer will give notification of such Successor Page in accordance with § 9.

Should the determination of the ECB Reference Rate be terminated permanently, then the Issuer will determine in its reasonable discretion (§ 315 German Civil Code (*BGB*)) another exchange rate for EUR in USD as the Reference Price and give notification of such other exchange rate in accordance with § 9.

If the ECB Reference Rate is not published on any day on Reuters page ECB37 or on a Successor Page and if the Issuer has not determined another exchange rate for EUR in USD as the Reference Price, the Reference Price shall be the price of EUR 1.00 in USD,

as actually traded on the *International Interbank Spot Market* on any day at or about 2.15 pm (Frankfurt time).

"**Strike**" shall be the price set out in paragraph 2.

The "**Underlying**" shall correspond to the EUR/USD exchange rate.

"**Valuation Date**" shall be the Exercise Date.

2. For each series of Warrants the terms "Strike" and "Exercise Period", shall have the following meaning:

Type	ISIN	Strike	Exercise Period ²
Put	DE000CM3TK40	USD 1.4000	21.02.2011 - 16.09.2011

§ 3 OPTION RIGHT

1. The Warrants grant to the Warrantholder the right (the "**Option Right**") to receive from the Issuer the payment of the Cash Amount (rounded, if necessary, to the next eurocent (EUR 0.01) with EUR 0.005 rounded upwards) in accordance with these Terms and Conditions.

The "**Cash Amount**" shall be equal to the product of (i) the amount by which the Reference Price on the Valuation Date exceeds the Strike (in the case of Call Warrants) or is exceeded by the Strike (in the case of Put Warrants) and (ii) the Ratio, the result being converted in EUR.

The conversion shall be made at the Relevant Conversion Rate.

2. The Warrantholders are entitled to exercise the Warrants on any Payment Business Day during the Exercise Period. Upon the last day of the Exercise Period, the Warrants which have not been exercised by the Warrantholders shall be subject to the provisions regarding the Automatic Exercise according to paragraph 4.
3. Any exercise of Warrants by the Warrantholder shall be carried out in accordance with the provisions of the following paragraphs:

- a) Minimum Exercise Number of Warrants

Except for the case of Automatic Exercise, the number of Warrants exercisable by any Warrantholder shall not be less than the Minimum Exercise Number of Warrants.

Any Exercise Notice which purports to exercise Warrants in an amount less than the Minimum Exercise Number of Warrants shall be void and of no effect.

- b) Exercise Notice and Exercise Date

In order to validly exercise the Option Right, an exercise notice (the "**Exercise Notice**") must be presented to the Warrant Agent by fax, by certified mail or in person. Exercise Notices must strictly follow the form and instructions set out in the form of Exercise Notice available at the Warrant Agent. The Warrant Agent shall be authorised to reject Exercise Notices which do not comply with said instructions. Exercise Notices shall be irrevocable.

In the case of an Exercise Notice received by the Warrant Agent on any Payment Business Day during the Exercise Period before 5:00 p.m. (Madrid time) up to the second Payment Business Day prior to the last day of the Exercise Period before 5:00 p.m. (Madrid time), the date of exercise (the "**Exercise Date**") shall be the following Payment Business Day. In the case of an Exercise Notice received by the Warrant Agent on any Payment Business Day during the Exercise Period at or after 5:00 p.m. (Madrid time) up

² Any reference to the beginning of the Exercise Period for the Warrants of the 2nd Tranche shall refer to 31.05.2011.

to the third Payment Business Day prior to the last day of the Exercise Period at or after 5:00 p.m. (Madrid time), the Exercise Date shall be the second Payment Business Day following the receipt of the Exercise Notice. For any Exercise Notice which is received by the Warrant Agent on the second Payment Business Day prior to the last day of the Exercise Period at or after 5:00 p.m. (Madrid time) or after such date, the provisions of the Automatic Exercise according to paragraph 4 shall apply.

c) Validity of the Exercise Notice

Any determination as to whether an Exercise Notice is duly completed and in proper form shall be made by the Warrant Agent, and shall be conclusive and binding on the relevant Warrantholder.

Any such Exercise Notice determined to be incomplete or not in proper form will be null and void. Notwithstanding this, in the event that such Exercise Notice is subsequently corrected to the satisfaction of the Warrant Agent, it shall be deemed to be a new Exercise Notice, submitted at the time such correction is delivered to the Warrant Agent.

Any Warrant for which an Exercise Notice has not been received by the Warrant Agent within the Exercise Period and which has not been automatically exercised on the last day of the Exercise Period shall be null and void.

d) Effect of the Exercise Notice

The delivery of an Exercise Notice shall constitute the irrevocable decision of the relevant Warrantholder to exercise the Warrants specified therein. After delivery of such Exercise Notice, such exercising Warrantholder may not otherwise transfer such Warrants. If, notwithstanding this, any Warrantholder does so transfer or attempt to so transfer such Warrants, the Warrantholder will be liable to the Issuer for any loss, costs and expenses suffered or incurred by the Issuer, including, without limitation, those suffered or incurred as a consequence of it having terminated any related hedging operations in reliance on the relevant Exercise Notice and subsequently entering into replacement hedging operations in respect of such Warrants.

e) Cancellation of Warrants

Warrants which have been exercised and in respect of which the Cash Amount has been paid by the Warrant Agent on behalf of the Issuer to the relevant Warrantholder or Warrants which have expired worthless will be cancelled.

4. Automatic Exercise on the last day of the Exercise Period

Any Warrants which have not been exercised by the Warrantholder by the last day of the Exercise Period will be automatically exercised on the last day of the Exercise Period without the need of any action by or on behalf of the Warrantholder, if the Cash Amount is a positive amount (the "**Automatic Exercise**"). In this case, the last day of the Exercise Period shall be the Valuation Date.

5. Settlement

a) The Issuer shall pay or cause to be paid not later than on the fifth Payment Business Day following the Valuation Date (the "**Settlement Date**") the Cash Amount to the account indicated by the Warrantholder, subject to compliance by the Warrantholder with the exercise procedure as described above.

b) Exercise of the Warrants and payments by the Issuer will be subject in all cases to any applicable fiscal or other laws, regulations and practices in force in Spain and in Germany at the relevant time. However, the Issuer shall not incur any liability whatsoever in the future if it is unable to pay the Cash Amount, after using reasonable effort, as a result of such laws, regulations and practices. The Issuer shall not under any circumstances be liable for any acts or default of any clearing system in the performance of its duties in relation to the Warrants.

- c) In the case of Automatic Exercise, the Issuer will pay or cause to be paid the Cash Amount due in respect of all Warrants outstanding on the relevant Settlement Date to the Clearing System for crediting the accounts of the Warrantheolders.
- d) All taxes, duties or other charges in connection with the exercise of the Warrants are to be borne and paid by the Warrantheolders. Any additional cost arising from the exercise of the Warrants shall not be borne by the Issuer.

§ 4

(This clause has been left intentionally blank)

§ 5

TAXES

All present and future taxes, fees or other duties in connection with the Warrants shall be borne and paid by the Warrantheolders. The Issuer is entitled to withhold from payments to be made under the Warrants any taxes, fees and/or duties payable by the Warrantheolder in accordance with the previous sentence.

§ 6

STATUS

The obligations under the Warrants constitute direct, unconditional and unsecured obligations of the Issuer and rank at least *pari passu* with all other unsecured and unsubordinated obligations of the Issuer (save for such exceptions as may exist from time to time under applicable law).

§ 7

WARRANT AGENT

1. Renta 4 Sociedad de Valores y Bolsa, S.A., Paseo de la Habana 74, 28036 Madrid, Spain, shall be the warrant agent (the "**Warrant Agent**").
2. The Issuer shall procure that there will at all times be a Warrant Agent. The Issuer shall be entitled at any time to appoint another bank of international standing as Warrant Agent. Such appointment and the effective date shall be notified in accordance with § 9.
3. The Warrant Agent acting in such capacity act only as agents of the Issuer. There is no agency or fiduciary relationship between the Warrant Agent on the one hand and the Warrantheolders on the other hand. The Warrant Agent is hereby granted exemption from the restrictions of § 181 of the German Civil Code (*BGB*) and any similar restrictions of the applicable laws of any other country.

§ 8

SUBSTITUTION OF THE ISSUER

1. Any other company may assume at any time during the life of the Warrants, subject to paragraph 2, without the Warrantheolders' consent all the obligations of the Issuer under these Terms and Conditions. Any such substitution and the effective date shall be notified by the Issuer in accordance with § 9.

Upon any such substitution, such substitute company (hereinafter called the "**New Issuer**") shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under these Terms and Conditions with the same effect as if the New Issuer had been named as the Issuer herein; the Issuer (and, in the case of a repeated application of this § 8, each previous New Issuer) shall be released from its obligations hereunder and from its liability as obligor under the Warrants.

In the event of such substitution, any reference in these Terms and Conditions to the Issuer shall from then on be deemed to refer to the New Issuer.

2. No such assumption shall be permitted unless
 - a) the New Issuer has agreed to assume all obligations of the Issuer under the Warrants pursuant to these Terms and Conditions;
 - b) the New Issuer has agreed to indemnify and hold harmless each Warrantholder against any tax, duty, assessment or governmental charge imposed on such Warrantholder in respect of such substitution;
 - c) the Issuer (in this capacity referred to as the "**Guarantor**") has unconditionally and irrevocably guaranteed to the Warranholders compliance by the New Issuer with all obligations under the Warrants pursuant to these Terms and Conditions;
 - d) the New Issuer and the Guarantor have obtained all governmental authorisations, approvals, consents and permissions necessary in the jurisdictions in which the Guarantor and/or the New Issuer are domiciled or the country under the laws of which they are organised.
3. Upon any substitution of the Issuer for a New Issuer, this § 8 shall apply again.

§ 9 NOTICES

Notices relating to the Warrants shall be published on the internet page www.warrants.commerzbank.com (or on another internet page notified at least six weeks in advance by the Issuer in accordance with this § 9) and shall be deemed to be effective upon such publication unless such publication gives another effective date. If applicable law or regulations of the stock exchange on which the Warrants are listed require a notification in another manner, notices shall also be given in the manner so required.

§ 10 LIMITATION OF LIABILITY

The Issuer shall be held responsible for acting or failing to act in connection with the Warrants only if, and insofar as, it either breaches material obligations under or in connection with the Terms and Conditions of the Warrants negligently or wilfully or breaches other obligations with gross negligence or wilfully. The same applies to the Warrant Agent.

§ 11 FINAL CLAUSES

1. Warrants and the rights and duties of the Warranholders, the Issuer, the Warrant Agent and the Guarantor (if any) shall in all respects be governed by the laws of the Federal Republic of Germany.
2. In the event of manifest typing or calculation errors or similar manifest errors in the Terms and Conditions, the Issuer shall be entitled to declare rescission (*Anfechtung*) to the Warranholders. The declaration of rescission shall be made without undue delay upon becoming aware of any such ground for rescission (*Anfechtungsgrund*) and in accordance with § 9. Following a declaration of rescission by the Issuer, the Warrantholder is entitled to request repayment of the Issue Price by delivery of a duly completed redemption notice to the Warrant Agent on the form available at the Warrant Agent or by providing all information and statements requested therein (the "**Redemption Notice**") and by transfer of the Warrants to the account of the Warrant Agent with the Clearing System. The Issuer shall make available the Issue Price to the Warrant Agent within 30 calendar days following receipt of the Redemption Notice and of the Warrants by the Warrant Agent, whichever receipt is later, whereupon the Warrant Agent shall transfer the Issue

Price to the account specified in the Redemption Notice. Upon payment of the Issue Price all rights under the Warrants delivered shall expire.

3. The Issuer may combine the declaration of rescission pursuant to paragraph 2 with an offer to continue the Warrants on the basis of corrected Terms and Conditions. Such an offer and the corrected provisions shall be notified to the Warrantholders together with the declaration of rescission in accordance with § 9. Any such offer shall be deemed to be accepted by a Warrantholder (and the rescission shall not take effect), unless the Warrantholder requests repayment of the Issue Price within four weeks following the date on which the offer has become effective in accordance with § 9 by delivery of a duly completed Redemption Notice to the Warrant Agent and by transfer of the Warrants to the account of the Warrant Agent with the Clearing System pursuant to paragraph 2. The Issuer shall refer to this effect in the notification.
4. "**Issue Price**" within the meaning of paragraphs 2 and 3 shall be the actual purchase price paid at the time of the first purchase of the Warrants delivered for repayment, or (if no purchase price for the first purchase of the Warrants can be determined) the issue price as set forth in the applicable Final Terms relating to the Base Prospectus dated 24 February 2011.
5. Contradictory or incomplete provisions in the Terms and Conditions may be corrected or amended, as the case may be, by the Issuer in its reasonable discretion (*billiges Ermessen*) (§ 315 of the German Civil Code (*BGB*)). The Issuer, however, shall only be entitled to make such corrections or amendments which are reasonably acceptable to the Warrantholders having regard to the interests of the Issuer and in particular which do not materially adversely affect the legal or financial situation of the Warrantholders. Notice of any such correction or amendment shall be given to the Warrantholders in accordance with § 9.
6. If the Warrantholder was aware of typing or calculation errors or similar errors at the time of the acquisition of the Warrants, then, notwithstanding paragraphs 2 to 5, the Warrantholders can be bound by the Issuer to the corrected Terms and Conditions.
7. Place of performance is Frankfurt am Main.
8. Place of jurisdiction for all disputes and other proceedings in connection with the Warrants for merchants, entities of public law, special funds under public law and entities without a place of general jurisdiction in the Federal Republic of Germany is Frankfurt am Main. In such a case, the place of jurisdiction in Frankfurt am Main shall be an exclusive place of jurisdiction.
