## **Warning regarding Vantage Holdings Group Ltd**

Finansinspektionen (the Swedish Financial Supervisory Authority) has today published this statement in order to warn investors against dealing with unauthorised firms.

Vantage Holdings Group Ltd has not received authorisation from Finansinspektionen and therefore is not entitled to provide financial services in Sweden. Finansinspektionen has not received any notification of cross-border activities from other EEA countries.

Reportedly, representatives from Vantage Holdings Group Ltd have contacted Swedish investors and offer to buy their holdings in American shares. Investors are asked to pay a fee in advance to secure the deal. This appears to be an advance fee fraud scheme.

**Vantage Holdings Group Ltd** has a website ([www.vantageholdingsgroup.com](http://www.vantageholdingsgroup.com)) and is using the following contact information:
