

# Central Bank of Ireland Issues Warning on Unauthorised Firm - Euroway Capital

29 March 2023    Warning Notice

It has come to the attention of the Central Bank of Ireland ('Central Bank') that **Euroway Capital (Ireland)** – <http://www.eurowaycapital.com> (no longer operational) has been operating as an investment firm / investment business firm in the State in the absence of appropriate authorisations.

A list of unauthorised firms published to date is available on the Central Bank website.

It is a criminal offence for an unauthorised firm / person to provide financial services in Ireland that require an authorisation under the relevant legislation, which the Central Bank is the responsible body for enforcing. Consumers should be aware, that if they deal with a firm / person who is not authorised, they are not eligible for compensation from any available compensation schemes.

There are some general steps that individuals should take before dealing with firms / persons, which purport to offer financial services:

- If you are buying a financial product such as a loan, insurance, investment or pension, or engaging a financial service such as investment advice, only deal with a Central Bank authorised firm / person – check our Register to see if the firm / person is registered. Always access the Register from our website, rather than through links in emails or on a firm's / person's website.
- Always double-check the URL and contact details of a firm / person in case it is a 'clone firm / person' pretending to be an authorised firm / person, such as your bank or a genuine investment firm.
- Check the list of unauthorised firms.. If the firm / person is not on our list, do not assume it is legitimate – it may not have been reported to the Central Bank yet.
- Check that the product being offered to you is present on the website of the legitimate firm.
- If you are considering buying a financial product or dealing with a firm, through a website or social media, or if you receive an unsolicited phone call, email, text message or pop-up box out of the blue, take the SAFE test.

- For further information, please visit the Avoiding Scams and Unauthorised Activity section of the Central Bank's website.

**Please remember:**

- the Central Bank will never contact you asking for money, your personal data or your PPS number; and
- if you are offered something that seems too good to be true, it is most likely a scam.

Any person wishing to contact the Central Bank with information regarding such firms / persons may telephone (01) 224 4000. This line is also available to the public to check if a firm is authorised.
