1.1 EXECUTIVE SUMMARY

AXIARE derives from the Greek word meaning 'VALUE' and is the core philosophy behind which the management team operates:

INCREASE THE VALUE OF OUR REAL ESTATE INVESTMENTS AND CREATE VALUE FOR OUR SHAREHOLDERS.

STRATEGY

AXIARE invests in **prime office, logistics and retail properties**, with strong upside potential, in the most **consolidated areas of Spain**. AXIARE has a long-term business plan in place, which is focused on **creating value via active asset management** and repositioning of the portfolio, with particular attention being paid to environmental sustainability.

MANAGEMENT TEAM

AXIARE has an **in-house management team**, which is solely dedicated to the company's goals, **aligning them with investors' interests**. The management team takes an **active role in every stage of the strategic value-creation process**: from the initial investment to the active management of the portfolio and potential disposition. Its expertise, reputation and market contacts, grant it access to the best on and off-market investment opportunities.

MISSION AND VALUE

Identify the **very best investment opportunities in the Spanish market** and act as a vehicle for generating long term, sustainable **value and returns for our shareholders**, via a value-added real estate strategy. AXIARE operates under the **principles of integrity, fairness and transparency**.

SUSTAINABILITY

The active management of AXIARE's portfolio is aimed at **increasing the quality of its properties and their surrounding areas**, achieving improved energy efficiency and cost management; reducing emissions and helping **to meet the sustainability and corporate responsibility requirements** of its tenants.

CRISTALIA 2&3

Madrid Office building

Cristalia 2 & 3 – Madrid, Investment Summary

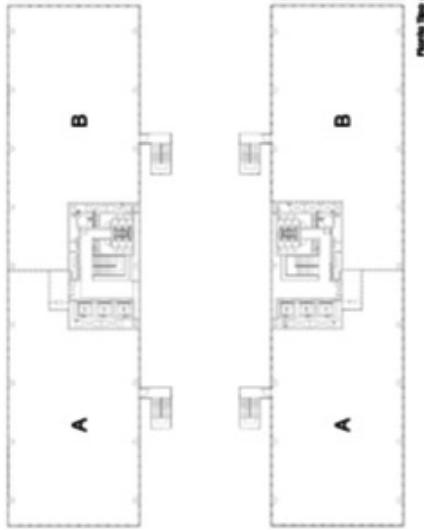

PROJECT OVERVIEW

Introduction	<ul style="list-style-type: none"> Off-market investment opportunity to acquire two twin 'Class A' office buildings in Madrid's Campo de las Naciones subplot. In historical terms, current capital value pricing is very attractive, reflecting market sentiment and tenancy structure. This opportunity – given its quality and location - has potential to benefit from value enhancement over time due to market improvement.
Location	■ Madrid
Completion	■ 2006
Net acquisition price	■ € 53M
Accommodation	<ul style="list-style-type: none"> Office: GLA - 17,338m² Parking: 391 basement car spaces
Occupation	<ul style="list-style-type: none"> 84% occupied Electronic Arts, Chep, Sodexo
Lease terms	<ul style="list-style-type: none"> Gross Rental Income: € 3.66m pa WALT 2.29 years Triple net leases
Key considerations	<ul style="list-style-type: none"> Strongest office subplotmarket outside CBD Midway between airport and city centre Good public and vehicular connectivity Excellent visibility from M-40 orbital motorway Highly efficient, flexible office accommodation Strong tenant line up in occupation since delivery Midway between airport and CBD Full operating expense recovery from tenants High standard of maintenance
Investment Strategy	<ul style="list-style-type: none"> Lease vacant space and consolidate existing tenants Obtain mortgage financing following purchase Lease structures provide re-gearing potential at rent review Improve building efficiencies and seek LEED Certification

Cristalia 2 & 3 – Madrid, Location & Description

Location	<ul style="list-style-type: none"> Vía de los Poblados 3 is located in the Campo de las Naciones submarket in Madrid, located midway between airport (10 minutes) and CBD (15 minutes) Strongest office submarket outside CBD Excellent visibility from M-40 orbital motorway Good connectivity both by road and public transport Within a business park with ten buildings and one hotel, the buildings enjoy excellent amenities and services
Description	<ul style="list-style-type: none"> Class A office located in Phase III of Campo de las Naciones. Two identical, seven storey buildings with a shared basement car park Highly efficient floor plates of 1,445m² column-free space, divisible into two modules Better than average car parking ratio: 1:44 Raised metallic floors and suspended ceiling 2.7m clear floor to ceiling heights. Six passenger lifts. Flexible VRV HVAC system
Improvements	<ul style="list-style-type: none"> Even though the building is well maintained we will contemplate minor improvements during the lifetime of the investment due to installations obsolesce. Further analysis will be done to identify key investment requirements to obtain a LEED certificate.
Risks	<ul style="list-style-type: none"> High vacancy rate in this phase of submarket Current building vacancy at 16% - leasing void longer than expected. Accessibility to this phase is congested at peak times
Mitigation	<ul style="list-style-type: none"> Existing tenants have been in occupation since delivery Dwindling space in other submarkets will have knock-on effect Area has been successful in previous cycles Building offers attractive, high quality and efficient space Increase marketing efforts with aggressive leasing strategy Offer attractive terms for vacant space Existing tenants adjust timetables to mitigate this New exit route being reviewed by local authority

Avenida Diagonal 197, Barcelona

Location & Description

Location	<ul style="list-style-type: none"> Diagonal 197 enjoys a prime location within the rapidly consolidating 22@ district of Barcelona. This is an urban regeneration area has been transformed to office, technological, hotel and residential uses. It is very close to Jean Nouvel's iconic Agbar Tower, opposite Les Glories shopping centre (56,300m²) and five minutes tram ride from Diagonal Mar (85,000m²). The location is well served with public transport with urban bus and tram stops outside the building. The nearest Metro stop (Glories) is five minutes walk. The consolidation of the area has attracted many multinational companies such as Telefónica, Cap Gemini, Sara Lee, Sanofi Aventis, ADP. The site adjoining this building will be developed as the HQ for law firm Cuatrecasas.
Description	<ul style="list-style-type: none"> Striking Class A office tower designed by David Chipperfield. 17 storey office tower, in two formats: <ul style="list-style-type: none"> Base level floors (Ground to 9): 1,088m² (divisible in three) Tower level floors (10 to 16): 662.5m² (divisible in two) Good city centre car space ratio 1:69 2.85m clear height between raised metallic floor and suspended ceiling Sprinkler system Five passenger lifts to all office floors plus two connecting lobby to car park. HVAC is provided by four tube system. Hot and cold water is produced by a centralized power station "Districlima" two blocks away.
Improvements	<ul style="list-style-type: none"> The building has been well-maintained and is in a good standard of repair We will envisage standard maintenance and improvements during the lifetime of the investment. Majority of costs will be covered via service charges Further analysis will be done to identify key investment required to obtain US Green Building Council's LEED certification
Risks	<ul style="list-style-type: none"> Complex occupational structure: one tenant subject to various leases. Intense use of building. Only 40% of car spaces occupied.
Mitigation	<ul style="list-style-type: none"> Going forward, we will endeavor to rationalize this. Tenant cannot vacate on the same date. Enhanced maintenance budget to cover this item. Seek tenants to occupy the vacant spaces.
