Kredittilsynet informs that Wall Street Management Corp has not received any approval to perform investment services in Norway, involving that the company does not have necessary authorisation in accordance with Norwegian law. This also involves that Kredittilsynet does not supervise the company and has not approved the services offered by the company. Kredittilsynet therefore recommends that investors do not enter into agreements or transfer values to Wall Street Management Corp.

[Kredittilsynet's registry](#) contains information on all companies which are authorized to offer investment services in Norway. A list (not complete), of [parties in the market which operate without approval](#), can also be found on Kredittilsynet's website.
