Re: Implementation of the reduction of share capital by means of the redemption of own shares approved by the General Shareholders' Meeting of Iberdrola on 27 March 2015

Dear Sirs,

Pursuant to article 82 of Law 24/1988, of 28 July, on the Securities Market (*Ley 24/1988, de 28 de julio, del Mercado de Valores*) and related provisions, we hereby inform you that the Board of Directors of Iberdrola, S.A. ("**Iberdrola**" or the "**Company**") has resolved, at its meeting held today, to carry out the implementation of the reduction of share capital by means of the redemption of treasury shares, approved by the General Shareholders' Meeting of the Company held on 27 March 2015 under item tenth on the agenda.

The share capital of Iberdrola has been reduced in the amount of 111,362,250 euros, through the retirement of 148,483,000 own shares. The share capital resulting from the reduction has been set at 4,680,000,000 euros, corresponding to 6,240,000,000 shares.

The aim of the reduction is the redemption of own shares to further strengthen the Shareholders' Remuneration Policy of the Company and, therefore, it has not entailed a return of contributions, since the Company itself is the holder of the shares to be redeemed.

The reduction has been carried out with a charge to unrestricted reserves by funding the redeemed capital reserve in an amount equal to the nominal value of the shares redeemed; such reserve may only be used by complying with the same requirements as those applicable to a reduction in share capital, as provided by section 335 c) of the Companies Act. Consequently, in accordance with the provisions of such section, creditors of the Company will not be entitled to assert the right of objection contemplated by section 334 of the Companies Act in connection with the approved reduction of share capital.

The required announcements of reduction of share capital will be published in the
