But in a situation where you will not be able to come, the company has decided to give you an alternative by providing an attorney to do so on your behalf. In which case you have to pay for the services of the attorney who has to be under the authority of this institution.

Further more, you will be required to send us a scanned copy of any utility bill as proof that you are a resident of the address you included in your application, a scanned 4x4 passport size photo and a copy of your drivers license or international passport..." (sic).
