OUR STARTING POINT AND VISION FOR
THE FUTURE

> Strategic Plan

Our path: 2012-2017

Where do we come from?

We have met the **targets**

> Strategic Plan

Well positioned for the new Strategic Plan

Completion of the Restructuring Plan...

With strong commercial dynamics

Increase in high-value products market share: Consumer finance, Mutual funds, Pension funds

With a significant improvement in the level of non-performing assets

Non-performing assets reduced by €11bn (-49%) since 2013

With a proven capacity to generate capital organically

+635bps of CET1 FL generated since 2013 and cumulative dividends of 1,160 million euros

And the start of a new phase, consolidated as the **fourth largest bank**

> Strategic Plan

What has changed since 2012?

Regulation

- Capital (MREL, Basel IV, IFRS 9, SREP)
- Business Model (MiFID II, PSD2, GDPR)

Technology

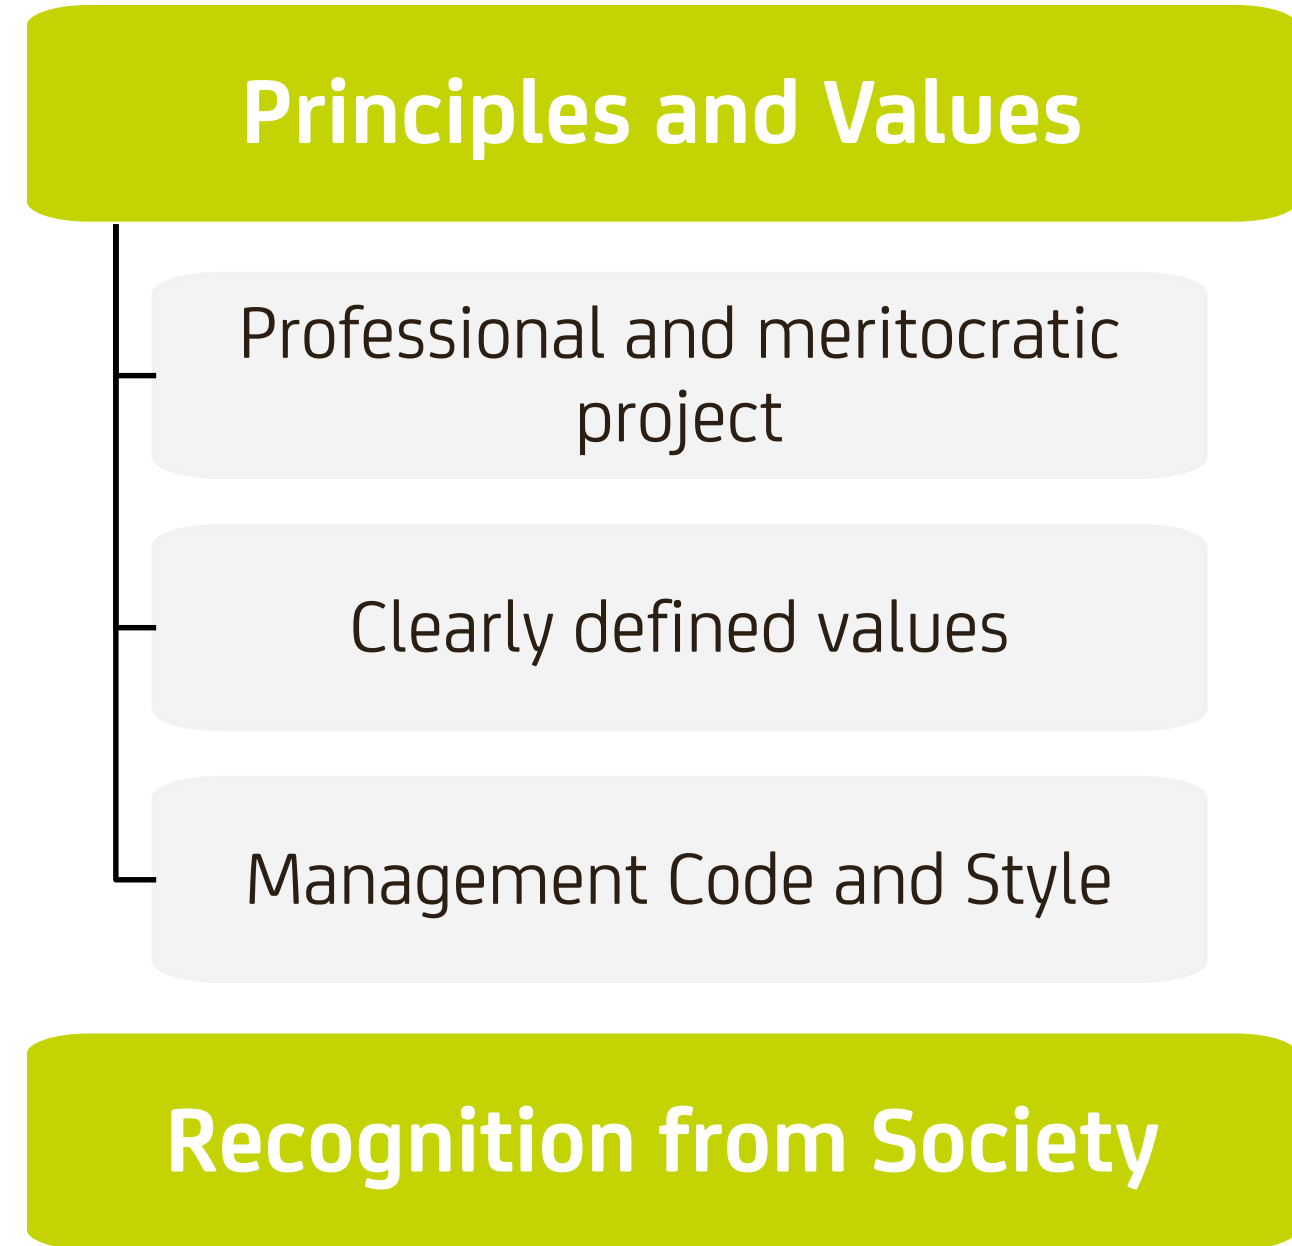

- Technological developments (AI, Big Data, Digitalization)
- New competitors (Fintech and technology firms)

Customer habits

- Relationship model
- More demanding customers (marketing-comparability)

Bankia's Strategic Priorities

The **CUSTOMER** is at the center of our strategy

1 **Positioning** based on listening

2 **Processes** improvement to serve our customers on an efficient and excellent manner

3 Permanently adapting our **distribution model** to better serve our customers

Business pillars: **PEOPLE and TECHNOLOGY**

> Strategy

1. Positioning

Strategic thought 2015: We were going to meet our goals, but...

Our customer's satisfaction was insufficient

Active listening to customers

- > 100,000 customers surveyed
- > 100 focus groups
- > 10,300 customer responses
- > Analysis of customer complaints

Positioning

-

- > “Cuenta SIN” account (+280,000 direct income deposits)
- > “Cuenta On” account (+230,000)
- > “Hipoteca SIN” mortgage (new mortgages 2.3x vs 2016)

Adaptation of our organisation

Goal: To be a Close, Simple and Transparent organisation

- > Internal reorganisation
- > Action plans: +1,000 milestones committed
- > +27,000 internal satisfaction surveys

Customer **satisfaction** is the key variable of our management

> Strategy

> Strategy

3. Distribution model

How to continue improving the commercial model?

A

Usage of **Big Data**

Distribution of commercial action based on customer management instead of products

- > Contacts defined based on customer's propensity
- > Leads prioritized by customer, manager and channel

B

Better tools for account managers

- > Better customer information, "**Robo4Advisor**", etc.

> Strategy

3. Distribution model

At the same time, we are making progress in our digital channels

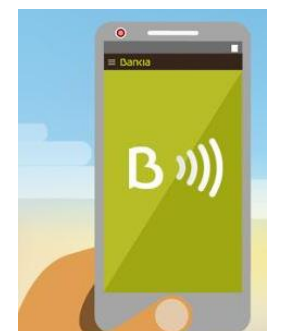

There are no stable competitive advantages

We started in 2015...

-  New portal Bankia.es
-  New App
-  Redesign Bankia online

**Our digital channels
are the same level
that those of our
competitors**

> Strategy

3. Distribution model

Accompanying our customers on the process of digitalization of their relationship with the bank

Targets for 2020...

Target:

3. Distribution model

What do we expect in the future?

We look at different time horizons...

2018

Payment services

Competitive field in the next three years

Open Business

Platform is under construction. Will be an important competitive factor for the next strategic plan

New technologies

Monitoring and testing of progress in more mature technologies (artificial intelligence) and emerging technologies (blockchain)

Strategy of collaboration in **FINTECH**

> Strategy

3. Distribution model

The main challenge within the horizon of our Strategic Plan is **PAYMENTS**

We start from a **very good competitive position**

Example in cards

Of total **purchases** with cards in Spain,

11.62% is with Bankia cards

12.22% of card **collections** in Spain are

through Bankia “Point of Sale” terminals

Strategic alliances

to lock in a dominant position

(payment services and intermediaries)

Provide our customers with all the payment services available in the market

Allow companies and retailers that are payment initiators to collect using any payment method available in the market

> Strategy

Bankia's Strategic Priorities

The **CUSTOMER** is at the center of our strategy

Strategic Priorities to better serve our customers

- > Positioning
- > Processes improvement
- > Distribution Model

In order to execute an **excellent implementation...**

- > **Speed** in deployment
- > **Flexibility and capacity to adapt** in a changing environment
