

**The Financial Services and Markets Authority (FSMA) warns the public against the activities of the website named [www.act-financial-solutions.com](http://www.act-financial-solutions.com), which offers investment services without complying with Belgian financial legislation.**

The persons operating the website named [www.act-financial-solutions.com](http://www.act-financial-solutions.com) are **not authorized** to provide investment services in or from Belgium.

Moreover, the offer made via that website shows **numerous indications of fraud** and seems to be similar to the fraudulent wealth management or savings plan offers denounced by the FSMA in the [warning](#) it published on 1 March 2019.

Lastly, these persons usurps the name of the Dutch investment company called Act Financial Solutions BV.

The FSMA thus **strongly advises against responding to any offer of financial services** made by that website and **against transferring money** to any account number it might mention.

**More than ever, prudence is necessary.**

**If you have the least doubt** about whether financial services being offered to you are lawful, please don't hesitate to contact the FSMA directly via the [consumer contact form](#). As well, feel free to notify us of any suspicious company that has not yet been the subject of a warning by the FSMA
