Press release

TRAFALGAR INTERNATIONAL

The Financial Services and Markets Authority (FSMA) warns the public against the activities of Trafalgar International, a company with offices at avenue Lloyd Georgelaan 7, 1050 Brussels, which claims to be offering investment services and insurance intermediation services.

Trafalgar International does not have the authorization as an investment firm which is necessary to offer investment services in or from Belgium. Moreover, Trafalgar International is neither registered with the FSMA as an insurance and reinsurance intermediary, nor as an intermediary in banking and investment services.

The FSMA thus advises the public against responding to any offers of investment services made by Trafalgar International and against transferring money to any account number they might mention.

Anyone wishing more generally to enquire as to the regularity of any transaction proposed can find further information on the "[Consumers](#)" page of the FSMA website (www.fsma.be) or by contacting the competent department (telephone: +32 2 220 59 10; email address: peri@fsma.be).
