

TO THE NATIONAL SECURITIES MARKET COMMISSION (CNMV)

SOLARIA ENERGÍA Y MEDIO AMBIENTE, S.A.

Madrid, August 8th, 2019

Pursuant to the provisions set forth in the Consolidated Text of the Spanish Capital Markets Act, the following RELEVANT FACT is hereby reported:

Solaria Energía y Medio Ambiente, S.A. (“Solaria” or the “Company”) reports that, through Prodigy Orbyt LDA, a wholly owned subsidiary of Solaria, it has been awarded 49 MWn of solar power capacity in the 1.4GW auction, promoted by the Portuguese State, and held by OMIP on 25, 26 and 29 of July.

The award is associated with the capacity reserve to connect to the grid of Red Eléctrica de Servicio Público and a specific remuneration regime for a period of 15 years, guaranteeing a fixed price for the energy supplied of 19,64 EUR/MWh.

This energy will be supplied from 4 projects located in Alentejo region and will generate an estimated production of 100 GWh per year.
