

The Financial Services and Markets Authority (FSMA) warns the public against the website named www.helvea-ltd.com, which offers saving plans and investment services without complying with Belgian financial legislation.

The persons operating the website named www.helvea-ltd.com are **not authorized** to provide investment services in or from Belgium.

Moreover, the offer made via that website shows **numerous indications of fraud** and seems to be similar to the fraudulent wealth management or savings plan offers denounced by the FSMA in the [warning](#) it published on 1 March 2019.

Lastly, these persons usurp the name of the British investment firm Helvea Ltd.

The FSMA thus **strongly advises against responding to any offer of financial services** made on that website and **against transferring money** to any account number it might mention.

More than ever, prudence is necessary.

If you have the least doubt about whether financial services being offered to you are lawful, please don't hesitate to contact the FSMA directly via the [consumer contact form](#). As well, feel free to notify us of any suspicious company that has not yet been the subject of a warning by the FSMA.
