Warning against Windgate Security Management

Finansinspektionen (the Swedish Financial Supervisory Authority) has today published this statement in order to warn investors against dealing with unauthorised firms. Windgate Security Management is not authorised by Finansinspektionen and is therefore not entitled to provide financial services. Finansinspektionen has not received any notification of cross-border activities from other EES countries.

Windgate Security Management has a website (www.windgatesecuritymgt.com) using the following address:
1335 Yale Street Lexington Avenue, New York, New York 10019.

Windgate Security Management's representatives contact investors through unsolicited telephone calls and offer to buy their holdings of shares in an American OTC company. However, the investor must first pay a fee in advance, ("Venfors Bond to be Deposited @4%"). This is an advance fee fraud scheme.

To find out whether a company or individual is authorised, check Finansinspektionen's website at: www.fi.se under "Authorisation".
