In accordance with the foregoing, the Board of Directors has developed the rules established herein, resolving that they will apply to the Shareholders' Meeting to which this call notice refers, as follows:

1. Grant of proxies using means of distance communication.

1.1 Admitted means

The Board of Directors has considered that for this Shareholders' Meeting, the means of distance communications that are valid for granting a proxy are as follows:

A) Electronic means.

To grant their proxy by electronic means, shareholders will need to do so on the corporate website of Merlin Properties, SOCIMI, S.A. (www.merlinproperties.com).

Given that the mechanism for granting proxies by electronic means must adequately guarantee the authenticity and identity of the party granting the proxy, shareholders wishing to use this proxy mechanism must first acquire an advanced or qualified electronic signature, as provided for in Electronic Signature Law 59/2003, of December 19, 2003, based on a qualified electronic certificate which has not been revoked and which may be (i) a User Electronic

Certificate issued by the Spanish Public Certification Entity (CERES) attached to the Spanish Mint (FNMT-RCM) or (ii) a qualified electronic certificate that is included in the Electronic National Identity Card issued in accordance with Royal Decree 1553/2005, of December 23, 2005, regulating the issuance of the National Identity Card and its electronic signature certificates (hereinafter, jointly, a “**Valid Electronic Signature**”).

Once the shareholder has his Valid Electronic Signature, he will be able, in the “*2017 Annual Shareholders’ Meeting/Electronic Proxy*” section on the corporate website of Merlin Properties, SOCIMI, S.A. (www.merlinproperties.com), using the “*Electronic Proxy*” form and on the terms and conditions described therein, grant a proxy to another person, even if not a shareholder, so that such person may represent him at the Shareholders’ Meeting. The electronic proxy document will, for the purposes of article 24.2 of the Bylaws, be considered a copy in electronic format of the attendance and proxy card.

B) Postal correspondence or an equivalent courier service

To grant their proxy by postal correspondence or an equivalent courier service, shareholders must complete and sign (i) the attendance card and the proxy issued on paper by the entities participating in the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. (Iberclear), that applies in each case, or (ii) the form provided by Merlin Properties, SOCIMI, S.A., which may be downloaded from the Company’s website (www.merlinproperties.com) in the *2017 Annual Shareholders’ Meeting/Documentation* section, and in both cases signing in the section that such card provides for the signature of the proxy-grantor; in the second case (the form provided by Merlin Properties, SOCIMI, S.A.), the certificate evidencing ownership of the shares must also be attached. The duly completed card signed with a handwritten signature (and, as the case may be, the certificate of ownership) must be sent to the registered office of Merlin Properties, SOCIMI, S.A. (Paseo de la Castellana, 257, Madrid) by postal correspondence or an equivalent courier service. In the case of corporate shareholders, a copy of the document evidencing the signatory’s sufficient representative authority must be attached. The delivery in person of the proxy at the reception desk of Merlin Properties, SOCIMI, S.A. (Paseo de la Castellana, 257, Madrid) will be treated as sending by postal correspondence or equivalent courier services.

1.2 Notification of the proxy to the proxy-holder.

Shareholders who grant a proxy must notify the designated proxy-holder of the proxy granted.

Where the proxy is granted to Merlin Properties, SOCIMI, S.A., to the Chairman of the Board of Directors or the General Shareholders Meeting, to a Director and/or the Secretary of the Board of Directors (or to the Deputy Secretary of that body), this notification will be deemed served and

accepted by the receipt by Merlin Properties, SOCIMI, S.A. of the physical card, duly completed or signed.

The person to whom the vote is delegated may only cast it by personally attending the Shareholders' Meeting (and not by means of distance communication).

On the day and at the venue of the Shareholders' Meeting and within the hour immediately prior to that announced for the start of the meeting, the designated proxy-holders must identify themselves by their national identity card, foreigner identity card or passport. In the case of proxies granted by corporate shareholders, a copy may be requested of the document evidencing the sufficient representative authority of the signatory of the proxy; likewise, if a legal entity represents one or more shareholders, a document evidencing the sufficient representative authority of the appearing individual may be requested.

2. Voting using means of distance communication.

2.1 Admitted means

The Board of Directors has considered that, for this Shareholders' Meeting, distance voting will be possible using the following means.

A) Electronic means

To cast their distance vote electronically, shareholders will need to do so on the corporate website of Merlin Properties, SOCIMI, S.A. (www.merlinproperties.com). Shareholders wishing to use this voting mechanism must first acquire a Valid Electronic Signature. Once the shareholder has his Valid Electronic Signature, he may, in the "2017 Annual Shareholders' Meeting/Electronic Vote" section of the corporate website of Merlin Properties, SOCIMI, S.A. (www.merlinproperties.com) and using the "Electronic Vote" form, cast his distance vote on the items on the agenda of the Shareholders' Meeting.

B) Postal correspondence or an equivalent courier service

To cast a distance vote by postal correspondence or an equivalent courier service, shareholders must complete and sign (i) the attendance, proxy and vote card issued on paper by the relevant entity participating in Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. (Iberclear) or (ii) the postal vote card that they may download from the Company's website (www.merlinproperties.com) in the 2017 Annual Shareholders' Meeting/Documentation section and print it on paper, completing and signing it together with the certificate of ownership of the shares. After completing and signing the card with a handwritten signature, the shareholder must send it to the registered office of Merlin Properties, SOCIMI, S.A. (Paseo de la Castellana, 257, Madrid) by postal correspondence or an equivalent courier service; if the document sent is the form provided by Merlin Properties, SOCIMI, S.A., the certificate evidencing ownership of the shares must

also be sent. In the case of corporate shareholders, a copy of the document evidencing the signatory's sufficient representative authority must be attached. The delivery in person of the vote at the reception desk of Merlin Properties, SOCIMI, S.A. (Paseo de la Castellana, 257, Madrid) will be treated as sending by postal correspondence or equivalent courier services.

3. Basic rules on distance voting and proxies.

3.1 Deadline for receipt by Merlin Properties, SOCIMI, S.A.:

To be valid, and pursuant to the Bylaws and the Shareholders' Meeting Regulations, the Board of Directors has resolved that both proxies and votes using means of distance communication (regardless of the means used) must be received by Merlin Properties, SOCIMI, S.A. before 23:59 hours on the day prior to the date on which the Shareholders' Meeting is held on first call (that is, before 23:59 hours on April 24, 2017). After the above deadline, only proxies granted on paper that are submitted to the staff in charge of the register of shareholders on the day and at the venue on which the Shareholders' Meeting is held and within the hour immediately prior to that established for the start of the meeting will be admitted.

3.2 Rules on priority between proxies, voting by distance means and in person at the Shareholders' Meeting:

- (i) Personal attendance at the Shareholders' Meeting will constitute the revocation of a vote cast or proxy granted using means of distance communication.
- (ii) A vote cast by means of distance communication may be rendered void by a subsequent and express revocation performed by the same means used to cast the vote, and by the deadline set for this.
- (iii) If a shareholder validly:
 - (a) grants a proxy or casts a vote, electronically on the one hand, and on a printed card on the other, the latter will prevail over the former, regardless of their respective dates;
 - (b) grants several proxies or casts several votes validly by way of a card printed on paper, the last proxy or vote received by Merlin Properties, SOCIMI, S.A. by the stipulated deadline will prevail.
- (iv) Voting by means of distance communication, regardless of the means used to cast the vote, will render void any electronic or written proxy, whether prior, which will be deemed revoked, or subsequent, which will be deemed not granted.

3.3 Scope of the voting proxy and instructions

The scope of the proxy will extend to all of the items on the agenda as well as, unless indicated otherwise, to any other items which, although not envisaged in the agenda of the call notice, may be addressed at the Shareholders' Meeting because the applicable legislation so permits.

Voting proxies shall state the direction in which the proxy-holder will vote.

In the absence of precise voting instructions, or if doubts arise as to the scope of the proxy, it will be deemed that (i) the vote is affirmative for all of the proposals submitted by the Board of Directors; and (ii) it also extends to the other items not envisaged in the agenda of the call notice but which may be addressed at the Shareholders' Meeting, because the applicable legislation so permits; with respect to this last point, the proxy-holder will abstain from voting, unless the proxy-holder has precise instructions or reasons to believe that voting for or against the proposals is more favorable to the interest's of the proxy-grantor.

3.4 Recipients of the proxies

Proxies simply granted to Merlin Properties, SOCIMI, S.A., or those which do not indicate the person to whom they are granted, will be deemed granted to the Chairman of the Board of Directors or, in the absence of the Chairman at the Shareholders' Meeting, to whoever stands in for him at such Meeting. In addition, express proxies to the Chairman of the Board, or any director (without expressly indicating his name) will be deemed granted to whoever acts as chairman of the Shareholders' Meeting, in the event of the absence of any of those persons from the meeting.

In cases of (express or implied) proxies to the Chairman of the Board or the Chairman of the Shareholders' Meeting, as well as in cases of express proxies to a director, in the event of any item where the proxy-holder may be in a situation of conflict of interest, and if the proxy-grantor has not issued instructions that are precise (or against) in the proxy document, the proxy will be deemed granted, for the specific matter in question, and automatically and with no need for any action at all, to the Secretary of the Shareholders' Meeting.

For these purposes, as well as for the purposes established in the applicable legislation, shareholders are informed that:

- (i) in the event that because the applicable legislation so permits, one or more of the proposals referred to in article 526.1 of the Revised Capital Companies Law are submitted to the Shareholders' Meeting, the directors affected by those proposals will be in a situation of conflict of interest with respect to voting on them;
- (ii) all directors are in situation of conflict of interest with respect to items three, six, seven, nine and fourteen (section 1) on the agenda;
- (iii) the executive directors are in a situation of conflict of interest with respect to item eight on the agenda;
- (iv) Mr. José Ferrís Monera is in a situation of conflict as regards his proposed ratification under item five (section 2) on the agenda.

3.5 Other provisions:

- (i) If electronic means are used, only an electronic action, proxy or vote, and a revocation, will be possible. The revocation will render void the proxy granted or the vote cast but it will not permit a new proxy or a new vote by electronic means, since this possibility will have been exhausted by the first vote or proxy.
- (ii) The disposal of shares whose ownership confers the right to vote of which Merlin Properties, SOCIMI, S.A. may become aware will render void the vote and proxy granted.
- (iii) As noted above, the Shareholders' Meeting may be attended by Company shareholders who, individually or in groups with other shareholders, hold at least 500 shares and have registered those shares on the relevant register of book entries at least five (5) days in advance of the date on which the Shareholders' Meeting is to be held (the Shareholders' Meeting is expected to be held on second call, that is, on April 26, 2017). To validly exercise the right to vote using means of distance communication, this condition must be fulfilled at the time of the casting of the vote.
- (iv) In order to attend, take part in and vote at the Shareholders' Meeting, shareholders must have registered their shares on the relevant register of book entries at least five (5) days in advance of the date on which the Shareholders' Meeting is to be held (the Shareholders' Meeting is expected to be held on second call, that is, on April 26, 2017).
- (v) For the valid exercise of the voting right using means of distance communication, regard will be had to the terms set out in articles 26 of the Bylaws and 21 of the Regulations of the Shareholders' Meeting.
- (vi) Merlin Properties, SOCIMI, S.A. will make available to shareholders on its corporate website (www.merlinproperties.com) the forms that must be used to grant proxies or cast votes using distance means.
- (vii) Shareholders who validly cast their vote using distance means will be considered present for the purposes of the constitution of the Shareholders' Meeting.

3.6 Technical incidents

Merlin Properties, SOCIMI, S.A. reserves the right to modify, suspend, cancel or restrict the electronic voting and proxy mechanisms where technical or security reasons require or impose such circumstance, which will be duly posted on the corporate website (www.merlinproperties.com) as well as published in the appropriate relevant event.
