To any such redemption the provisions of Article 11.00 shall apply subject to Article 10.06 below save that the

deemed request to redeem the Shares may not be withdrawn notwithstanding that the determination of the Net Asset Value of the relevant Fund or Class of Shares may have been suspended under Article 14.04 of these presents.

10.06 Settlement of any redemption or transfer effected pursuant to Articles 10.04 or 10.05 hereof, shall be effected by depositing the redemption monies or proceeds of sale in a bank for payment to the person entitled subject to such consents as may be necessary being obtained and, if relevant and at the discretion of the Directors, production of the certificate or certificates representing the Shares previously held by such person with the redemption request on the reverse of each duly signed. Upon deposit of the redemption monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the Company the redemption monies so deposited without interest.

10.07 Any person or persons to whom Articles 10.01, 10.02, 10.04 and 10.05 shall apply shall indemnify the Company, the Directors, the Manager, the Investment Advisor the Administrator, the Distributors, the Depositary and any Shareholder for any loss suffered by it or them as a result of such person or persons acquiring or holding Shares in the Company.

10.08 (a) The Company shall be entitled to redeem any Share of a Shareholder or any Share to which a person is entitled by transmission provided that:-

(i) for a period of six years no cheque, share certificate or confirmation of ownership of Shares sent by the Company through the post in a pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or the last known address given by the Shareholder or the person entitled by transmission to which cheques, share

- (ii) at the expiration of the said period of six years the Company has given notice of its intention to redeem such Share or Shares by notice sent by pre-paid letter addressed to the Shareholder or to the person entitled by transmission to the Share at his address on the Register or to the last known address given by the Shareholder or the person entitled by transmission or by advertisement in a national daily newspaper published in Ireland or in a newspaper circulating in the area in which the address of the Shareholder is located;
 - (iii) during the period of three months after the date of the giving of such notice and prior to the exercise of the power of redemption the Company has not received any communication from the Shareholder or person entitled by transmission; and
 - (iv) if the Shares are quoted on a stock exchange the Company has first given notice in writing to the appropriate section of such stock exchange of its intention to redeem such Shares, if it is required to do so under the rules of such stock exchange.
- (b) The Company shall account to the Shareholder or to the person entitled to such Shares for the net proceeds of such redemption by carrying all moneys in respect thereof as a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such Shareholder or other person.

11.00 REDEMPTION OF SHARES

11.01 As is more specifically described herein below, the Company has the power to redeem its own outstanding fully paid Shares on any Dealing Day. A Shareholder may at any time request the Company to redeem all or any of his Shares in the Company in such manner as the Directors may from time to time decide. Subject to Article 11.14 any such request shall be irrevocable save with the consent in writing of the Company or its authorised agent.

11.02 Subject to Articles 10.04 and 10.05 a redemption request shall not be processed until the Company has received a completed redemption request and, if applicable, any share certificate or evidence satisfactory to the Company of succession or assignment from the Shareholder and such other information as the Company may reasonable require by such time as may from time to time be specified in the relevant Information Card.

11.03 In the event of receipt of a valid redemption request by such time as may from time to time be specified by the Company, the Company shall redeem the Shares the subject of the request subject to any suspension of this redemption obligation pursuant to Article 14.04 hereof PROVIDED THAT the Directors may, in their discretion, accept a redemption request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified from time to time by the Directors for the receipt of redemption requests for such Dealing Day so long as such redemption is received prior to the Valuation Point for such Dealing Day. Shares in the capital of the Company which are redeemed by the Company shall be cancelled.

11.04 Following the processing of a redemption request the Shareholder will be paid a price per Share equal to the Redemption Price per Share ascertained by determining the Net Asset Value per Share as at the Valuation Point for the

relevant Dealing Day in accordance with the provisions of Article 14.00 hereof and rounding the resulting total to four decimal places.

- 11.05 A redemption charge not exceeding three per cent. 3% of the Net Asset Value per Share may be deducted from the Redemption Price for the absolute use and benefit of the Manager or as it may direct and the Directors may at their discretion waive, either wholly or partially, such redemption charge or differentiate between Shareholders as to the amount of such redemption charge, if any, within the permitted limit. The Company shall not increase the maximum charge relating to the redemption or repurchase of Shares as set out in of these presents, without prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders of the Company. In the event of an increase in the redemption charge a reasonable notification period shall be provided by the Company to enable relevant Shareholders to redeem their Shares prior to the implementation of the increase in accordance with the Central Bank Requirements.
- 11.06 Any amount payable to a Shareholder under this Article shall be paid in the Base Currency or such other currency or currencies as the Directors shall have determined as appropriate and shall be dispatched within ten (10) Business Days after the relevant Dealing Day on which the redemption is effected and provided the Company has received the redemption request or instruction in such form as may be determined by the Directors.
- 11.07 Any request for redemption of Shares shall not be valid and effective unless, in the case of Shares for which a certificate has been issued, the certificate or certificates for such Shares in proper form accompanies such request.

- 11.08 On redemption of part only of the Shares comprised in any certificate the Directors shall procure that a balance certificate be issued for the balance of such Shares free of charge.
- 11.09 If a redemption of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Holding the Company may redeem the whole of that Shareholder's holding.
- 11.10 Where a certificate has been issued the Directors may at their option dispense with the production of any certificate which shall have become lost or destroyed upon compliance by the holder of Shares to be redeemed with the like requirements to those applying in the case of an application by him for replacement of a lost or destroyed certificate under Article 6.00 hereof.
- 11.11 Where the Company receives in respect of any Dealing Day requests for redemptions which in the aggregate exceed at least 10% of the total number of Shares in issue in that Fund or exceed at least 10 per cent of the Net Asset Value of that Fund on that Dealing Day, the Directors if in their sole discretion acting in good faith believe it shall be necessary or desirable in order not to prejudice the interests of the Shareholders not making such request, or on the grounds of liquidity or other like reason, may refuse to redeem any Shares in excess of 10 per cent of the total number of Shares in issue in that Fund or in excess of 10 per cent of the Net Asset Value of that Fund in respect of which redemption requests have been received as aforesaid. In this event, each such request for redemption or conversion of Shares of the relevant Fund shall be reduced pro rata so that all such requests cover no more than 10% of the total number of Shares outstanding in that Fund on that dealing day and shall treat the outstanding redemption requests as if they were received on each subsequent Dealing Day until all the Share to which the original request related have been redeemed.

- 11.12 The Company may, at the discretion of the Directors and with the consent of the relevant Shareholders, satisfy any request for redemption of Shares by the transfer in specie to those Shareholders of assets of the relevant Fund having a value (calculated in accordance with Article 15.00) equal to the Redemption Price for the Shares redeemed as if the redemption proceeds were paid in cash less any redemption charge and other expenses of the transfer as the Directors may determine provided that any Shareholder requesting redemption shall be entitled to request the sale of any asset or assets proposed to be distributed in specie and the distribution to such Shareholder of the cash proceeds of such sale, the costs of which shall be borne by the relevant Shareholder. The nature and type of assets to be transferred in specie to each Shareholder shall be determined by the Directors on such basis as the Directors in their discretion shall deem equitable and not prejudicial to the interests of the remaining Shareholders in the relevant Fund or Class.
- 11.13 Notwithstanding Article 11.12 above, where the redeeming Shareholder requests redemption of a number of Shares that represent 5% or more of the Net Asset Value of the relevant Fund, the Company or its delegate may, without the consent of the redeeming Shareholder, determine to provide redemption in specie subject to the provisions of these Articles and the Central Bank Requirements and: (i) in that event the Company shall, if requested to do so, sell the assets on behalf of the Shareholder after the redemption has been effected; and (ii) the cost of any sale in accordance with this Article can be charged to the relevant Shareholder.
- 11.14 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon a disposal of Shares by a Shareholder (whether upon a redemption of Shares, a transfer of Shares or otherwise) the Directors may arrange for the deduction from the proceeds due to be paid to a Shareholder of a cash amount equal to the liability or in their discretion in accordance with Article 10 hereof the compulsory redemption and cancellation of such number of Shares of such Shareholder as is sufficient after the deduction of any redemption charges

to discharge any such liability and the relevant Shareholder shall indemnify the Company against any loss suffered by it in connection with any obligation or liability to so deduct, withhold or account. At any time subject to the Act the Company shall be entitled to redeem the Subscriber Shares or Non-Participating Shares or to procure the transfer of the Subscriber Shares or Non-Participating Shares to any person entitled to hold Shares in the Company.

- 11.14 If the determination of the Net Asset Value of any Fund or Class has been suspended pursuant to Article 14.04 hereof the right of the Shareholder to have his Shares redeemed pursuant to this Article shall be similarly suspended and during the period of suspension he may withdraw any request for redemption of his Shares. Any withdrawal of a request for redemption under the provisions of this Article shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the suspension. If the request is not withdrawn during the period of suspension the redemption of Shares shall be effected on the Dealing Day next following the end of the suspension subject to Article 11.11.

12.00 TOTAL REDEMPTION

- 12.01 The Company may by not less than four nor more than twelve weeks' notice to Members expiring on a Dealing Day, redeem at the Redemption Price on such Dealing Day, all of the Shares in any Fund or Class or all Funds or Classes not previously redeemed.
- 12.02 The Company shall redeem all of the Shares in any Fund or Class not previously redeemed if the holders of 75% in value of the relevant Fund or Class resolve at a meeting of the Shareholders of such Fund or Class duly convened and held that such Shares should be redeemed.

- 12.03 If all of the Shares in a particular Fund or Class are to be redeemed as aforesaid the Directors, with the sanction of an Ordinary Resolution of the relevant Fund or Class, may divide amongst the Shareholders in specie all or part of the assets of the relevant Fund or Class according to the Net Asset Value of the Shares then held by each Shareholder in the relevant Fund or Class in accordance with Article 14.00 hereof provided that any Shareholder shall be entitled to request, at the expense of such Shareholder, the sale of any asset or assets proposed to be so distributed and the distribution to such Shareholder of the cash proceeds of such sale.
- 12.04 If all of the Shares of the Company are to be redeemed as aforesaid the Company, with the approval of the Shareholders by Ordinary Resolution, may divide amongst the Shareholders in specie all or part of the assets of the Company according to the Net Asset Value of the Shares then held by each Shareholder as determined in accordance with Article 14.00 hereof.
- 12.05 If all the Shares in the Company or a Fund or Class are to be redeemed as aforesaid and the whole or any part of the business or property of the relevant Fund or any of the assets of the Company are proposed to be transferred or sold to another company (hereinafter called "the Transferee") the Directors may, with the sanction of a Special Resolution of the Company or the relevant Fund or Class conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale shares, units, policies or other like interests or property in or of the Transferee for distribution among the said Shareholders, or may enter into any other arrangement whereby the said Shareholders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee.

12.06 The Non-Participating Shares (or any of them) may be redeemed by the Company at any time after the first issue of Shares is effected after the initial offer period. The redemption price for each Non-Participating Share shall be €1.

13.00 CONVERSION OF SHARES

13.01 Subject as hereinafter provided and to any restrictions imposed pursuant to these presents a Shareholder shall have the right from time to time to convert all or any Shares in a Fund designated in a particular Class (the "Original Fund") into Shares of the same Class of another Fund of the Company (the "New Fund"). Shareholders may, only at the sole discretion of the Directors, convert some or all of their Shares in the Original Fund to Shares in a different Class within the same Fund or to Shares in a different Class in another Fund.

13.02 The right of conversion is exercisable by the said Shareholder giving to the Company a notice (hereinafter called "Conversion Notice") in such form and by such time and means as the Directors may from time to time determine together with the relevant share certificate or such other evidence of title as the Directors may require provided that the Shares proposed to be converted have a value at the time of conversion not less than the value of the Minimum Subscription for the New Fund or such other amount as may be determined by the Directors from time to time and the Shareholder otherwise satisfies the criteria determined by the Directors for investment in the New Fund.

13.03 Following receipt by the Company of a Conversion Notice the conversion of Shares specified in a Conversion Notice shall be effected on a day which is a Dealing Day for the Original Fund and the New Fund or on such other Dealing Days as the Directors may determine PROVIDED THAT the Directors may, in their discretion, accept a conversion request for processing on a Dealing Day notwithstanding that such request may have been received after the time specified

from time to time by the Directors for the receipt of conversion requests for such Dealing Day so long as such conversion request is received prior to the Valuation Point for the relevant Dealing Day.

13.04 A Shareholder requesting conversion shall not without the written consent of the Company or its authorised agent be entitled to withdraw a Conversion Notice duly made in accordance with this Article except in circumstances in which he would be entitled to withdraw a request for redemption of Shares.

13.05 Conversion of Shares specified in the Conversion Notice may, subject to the Regulations, the Central Bank UCITS Regulations and these Articles, be effected in such manner as may be determined by the Directors and without prejudice to the generality of the foregoing may be effected by the redemption of Shares of the Original Fund (save that the redemption monies shall not be released to the Shareholder requesting conversion) and the issue of Shares in the New Fund.

13.06 The number of Shares of the New Fund to be issued on conversion shall be determined by the Directors in accordance (or as nearly as may be in accordance) with the following formula:

$$S = \frac{(R \times NAV \times ER)}{SP}$$

where

S is the number of Shares of the New Fund to be allotted.

R is the number of Shares in the Original Fund to be redeemed.

NAV is the Net Asset Value per Share of the Original Fund at the Valuation Point on the relevant Dealing Day.

ER is the currency conversion factor (if any) as determined by the Administrator.

SP is the Net Asset Value per Share of the New Fund at the Valuation Point on the relevant Dealing Day.

- 13.07 Upon conversion of Shares as provided for herein the Directors shall cause assets or cash equal to the value of “S” as defined in Article 13.06 to be transferred to the New Fund.
- 13.08 The Directors may charge a fee on the conversion of Shares in any Fund or Class into Shares in another Fund or Class or another Class in the same Fund up to a maximum of 5% of the Subscription Price of Shares to be issued in the New Fund upon conversion of the Shares in the Original Sub-Fund.
- 13.09 The Directors (or their delegate) may at their discretion, refuse to effect a conversion request without giving any reason for such refusal.
- 13.10 Where a conversion request would result in a Shareholder holding a number of Shares in either the Original Fund or the New Fund which would be less than the Minimum Holding for the New Fund, the Directors may, if they think fit, convert the whole of such Shareholder’s holding in the Original Fund to Shares in the new Fund or refuse to effect any conversion from the Original Fund.
- 13.10 On conversion of the whole or part only of the Shares comprised in a certificate, the Directors shall procure the issue of a new certificate, and, in the case of a conversion of part only of the Shares comprised in a certificate, a balance certificate free of charge in respect of the Shares issued in the New Fund and the remaining Shares held in the Original Fund (if any) to be sent to the Shareholder or as he shall direct.
- 13.11 Fractions of Shares of the New Fund may be issued on conversion subject to Article 8.08.

14.00 DETERMINATION OF NET ASSET VALUE

14.01 The Directors shall on or with respect to each Dealing Day determine the Net Asset Value of each Fund or, if there are different Classes within a Fund, attributable to each Class in accordance with the following provisions.

14.02 The Net Asset Value of each Fund shall be determined as at the Valuation Point for the relevant Dealing Day by ascertaining the value of the assets of the Fund pursuant to Article 15.01 hereof, having regard to the principles specified in, and making such additions, deductions and adjustments as are appropriate pursuant to Article 15.03 hereof. The Net Asset Value attributable to a Class shall be determined as at the Valuation Point for the relevant Dealing Day by calculating that portion of the Net Asset Value of the relevant Fund attributable to the relevant Class as at the Valuation Point by reference to the number of Shares in issue or deemed to be in issue in each Class on the relevant Dealing Day subject to adjustment to take account of assets and/or liabilities attributable to each Class including the gains/losses on the costs of financial instruments employed for currency hedging in which assets of the Class are designated in a different currency of the Fund.

Where hedging strategies are used in relation to a Fund or Class the financial instruments used to implement such strategies shall be deemed to be assets or liabilities (as the case may be) of the relevant Class as a whole. The costs, profits and losses arising from hedging transactions undertaken at Class level shall be excluded from the initial calculation of the Net Asset Value of the Fund and applied separately to the Net Asset Value allocated to the relevant Class.

14.03 The Net Asset Value per Share shall be determined as at the Valuation Point on or with respect to each Dealing Day by dividing the Net Asset Value of the relevant Fund or attributable to a Class by the number of Shares in issue or deemed to be in issue in such Fund or Class at the Valuation Point.

14.04 The Directors may at any time and from time to time temporarily suspend the determination of the Net Asset Value of a Fund or attributable to a Class and the issue, redemption and conversion of Shares in any Fund or Class, in the following instances:

- during the whole or part of any period (other than ordinary holidays or customary weekends) when any of the Recognised Exchanges on which Investments of the relevant Fund are quoted, listed, traded or dealt are closed or during which dealings therein are restricted or suspended or trading is suspended or restricted; or
- during the whole or part of any period when circumstances outside the control of the Directors exist as a result of which any disposal or valuation by the Company of Investments of the relevant Fund is not reasonably practicable or would be detrimental to the interests of Shareholders or it is not possible to transfer monies involved in the acquisition or disposition of Investments to or from the relevant account of the Company at normal rates of exchange; or
- during the whole or part of any period when any breakdown occurs in the means of communication normally employed in determining the value of any of the Investments of the relevant Fund; or
- during the whole or part of any period when for any reason the value of any Investments of the relevant Fund cannot be reasonably, promptly or accurately ascertained; or
- during the whole or part of any period when the Company is unable to repatriate funds required for making redemption payments or when such

payments cannot, in the opinion of the Directors, be carried out at normal rates of exchange;

and shall temporarily suspend the determination of the Net Asset Value of a Fund attributable to a Class and the issue, redemption and conversion of Shares in any Fund or Class if directed to do so by the Central Bank.

- 14.05 Notice of any such suspension and notice of the determination of any such suspension shall be published by the Company in such manner as the Directors may deem appropriate to notify the persons likely to be affected thereby and given immediately to the Central Bank, the Depositary and, where relevant, the Irish Stock Exchange and in any event within the Business Day on which such suspension took effect.
- 14.06 The Directors shall ensure that the Net Asset Value per Share is made readily available for the relevant Shareholders.

15.00 VALUATION OF ASSETS

- 15.01 The value of the assets of each Fund shall be determined as at the Valuation Point as follows:-
- (a) Investments which are quoted, listed or dealt in on a Recognised Exchange save as hereinafter provided at (d), (e), (f), (g), (h) and (i) will be valued at last closing prices. Where an Investment is listed or dealt in on more than one Recognised Exchange the relevant exchange or market shall be the principal stock exchange or market on which the Investment is listed or dealt on or the exchange or market which the Directors determine provides the fairest criteria in determining a value for the relevant Investment. Investments listed or traded on a Recognised Exchange, but acquired or traded at a premium or at a discount outside or off the relevant exchange or

market may be valued taking into account the level of premium or discount at the Valuation Point provided that the Depositary shall be satisfied that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the Investment.

- (b) The value of any Investment which is not quoted, listed or dealt in on a Recognised Exchange or which is so quoted, listed or dealt but for which no such quotation or value is available or the available quotation or value is not representative of the fair market value shall be either (i) the probable realisation value as estimated with care and good faith by a competent person, firm or corporation (including the Investment Advisor) selected by the Directors and approved for the purpose by the Depositary or (ii) the value as determined by any other means provided that such value is approved by the Depositary. Where reliable market quotations are not available for fixed income securities the value of such securities may be determined by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics.
- (c) Cash and other liquid assets will be valued at their nominal value plus accrued interest unless in any case the Directors are of the opinion that such assets are unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors or their delegate (with the approval of the Depositary) may consider appropriate in such case to reflect the true value thereof.
- (d) Derivative contracts traded on a regulated market including without limitation futures and options contracts and index futures shall be valued at the settlement price as determined by the market. If the settlement price is not available, the value shall be the probable realisation value estimated with care and in good faith by (i) the Directors or (ii) a competent person

firm or corporation (including the Investment Advisor) selected by the Directors and approved for the purpose by the Depositary. Derivative contracts which are not traded on a regulated market and which are cleared by a clearing counterparty (including, without limitation, swap contracts) may be valued either using the counterparty valuation or an alternative valuation such as a valuation calculated by the Investment Manager or by an independent pricing vendor. The Company must value an OTC derivative on a daily basis. Where the Company values an OTC derivative using an alternative valuation, the Company will follow international best practice and adhere to the principles on valuation of OTC instruments established by bodies such as IOSCO and AIMA. The alternative valuation is that provided by a competent person appointed by the Company and approved for the purpose by the Depositary, or a valuation by any other means provided that the value is approved by the Depositary and the alternative must be fully reconciled to the counterparty valuation on a monthly basis. Where significant differences arise these will be promptly investigated and explained. Where the Company values an OTC derivative, which is cleared by a clearing counterparty, using the clearing counterparty valuation, the valuation must be approved or verified by a party who is approved for the purpose by the Depositary and who is independent of the counterparty and the independent verification must be carried out at least weekly. The reference to an independent party may include the Investment Manager. It can also include a party related to the counterparty provided the related party constitutes an independent unit within the counterparty's group which does not rely on the same pricing models employed by the counterparty and the relationship between the parties and attendant risks are disclosed in the Prospectus. Where the independent party is related to the OTC counterparty and the risk exposure to the counterparty may be reduced through the provision of collateral, the position must also be subject to verification by an unrelated party to the counterparty on a six month basis.

- (e) Forward foreign exchange contracts shall be valued in the same manner as derivatives contracts which are not traded in a regulated market or alternatively, by reference to the freely available market quotations. If the latter is used, there is no requirement to have such prices independently verified or reconciled to the counterparty valuation.
- (f) Notwithstanding Article 15.01(a) hereof units in collective investment schemes shall be valued at the latest available redemption price or net asset value of the units of the relevant collective investment scheme.
- (g) In the case of a Fund which is a money market fund the Directors may value any Investment with a known residual maturity of fifteen months or less using the amortised cost method of valuation whereby the Investment is valued at its acquisition cost adjusted for amortisation of premium or accretion of discount on the Investments. The Directors or their delegates shall review or cause a review to take place of deviations between the amortised method of valuation and the market value of Investments, in accordance with the Central Bank Requirements.
- (h) The Directors may value floating rate instruments using the amortised cost method of valuation where such floating rate instruments:
 - (i) have an annual or shorter reset date; and
 - (ii) are determined by the Directors to have a market value that approximates the amortised cost valuation; and
 - (iii) have a residual value of two years or less or, in the case of investment grade instruments, up to five years provided that

procedures are adopted for instruments having a residual maturity of between two and five years to ensure that the valuation produced does not vary significantly from its true market value.

- (i) The Directors may value securities having a residual maturity not exceeding six months using the amortised cost method of valuation.
- (j) The Directors may, with the approval of the Depositary, adjust the value of any Investment if, having regard to its currency, marketability, applicable interest rates, anticipated rates of dividend, maturity, liquidity or any other relevant considerations, they consider that such adjustment is required to reflect the fair value thereof.
- (k) Any value expressed otherwise than in the Base Currency of the relevant Fund shall be converted into the Base Currency of the relevant Fund at the exchange rate (whether official or otherwise) which the Directors shall determine to be appropriate.
- (l) Notwithstanding the detailed valuation rules above, the valuation of a specific asset may be carried out under an alternative method of valuation if the Directors deem it necessary. The alternative method of valuation must be approved by the Depositary and the rationale/methodologies used should be clearly documented.
- (m) Where on any Dealing Day (i) the value of all redemption requests received by the Company exceeds the value of all applications for Shares received for that Dealing Day, the Directors may value the Investments at the lowest market dealing bid prices or (ii) the value of all applications for Shares received by the Company exceeds the value of all redemption requests received for that Dealing Day, the Directors may value the Investments at

the lowest market dealing offer prices; provided that the valuation policy selected by the Directors is applied consistently throughout the duration of the Company.

15.02 If it is impossible or would be incorrect to carry out a valuation of an Investment in accordance with the above rules owing to particular circumstances the Directors or their delegate with the approval of the Depositary shall use other generally recognised valuation principles, which can be examined by the Auditors, in order to reach a proper valuation of the total assets of the Company.

15.03 In calculating the value of assets of the Company and each Fund the following principles will apply:

- (a) every Share agreed to be issued by the Directors with respect to each Dealing Day shall be deemed to be in issue at the Valuation Point for the relevant Dealing Day and the assets of the relevant Fund shall be deemed to include not only cash and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of Shares agreed to be issued after deducting therefrom (in the case of Shares agreed to be issued for cash) or providing for preliminary charges;
- (b) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed, such investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (c) there shall be added to the assets of the relevant Fund any actual or estimated amount of any taxation of a capital nature which may be recoverable by the Company which is attributable to that Fund;

- (d) there shall be added to the assets of each relevant Fund a sum representing any interest, dividends or other income accrued but not received and a sum representing unamortised expenses;
- (e) there shall be added to the assets of each relevant Fund the total amount (whether actual or estimated by the Directors or their delegate) of any claims for repayment of any taxation levied on income or capital gains including claims in respect of double taxation relief; and
- (f) where notice of the redemption of Shares has been received by the Company with respect to a Dealing Day and the cancellation of such Shares has not been completed, the Shares to be redeemed shall be deemed not to be in issue at the Valuation Point and the value of the assets of the relevant Fund shall be deemed to be reduced by the amount payable upon such redemption;
- (g) there shall be deducted from the assets of the relevant Fund:
 - (i) the total amount of any actual or estimated liabilities properly payable out of the assets of the relevant Fund including any and all outstanding borrowings of the Company in respect of the relevant Fund, interest, fees and expenses payable on such borrowings and any estimated liability for tax and such amount in respect of contingent or projected expenses as the Directors consider fair and reasonable as of the relevant Valuation Point;
 - (ii) such sum in respect of tax (if any) on income or capital gains realised on the Investments of the relevant Fund as in the estimate of the Directors will become payable;

- (iii) the amount (if any) of any distribution declared by the Shareholders of the relevant Fund or the Directors pursuant to Article 31.00 hereof but not distributed in respect thereof;
- (iv) the remuneration of the Manager, the Administrator, the Depositary, the Investment Advisor, any Distributor and any other providers of services to the Company accrued but remaining unpaid together with a sum equal to the value added tax chargeable thereon (if any);
- (v) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the relevant Fund (including all establishment, operational and ongoing administrative fees, costs and expenses) as of the relevant Valuation Point;
- (vi) an amount as of the relevant Valuation Point representing the projected liability of the relevant Fund in respect of costs and expenses to be incurred by the relevant Fund in the event of a subsequent liquidation;
- (viii) an amount as of the relevant Valuation Point representing the projected liability of the relevant calls on Shares in respect of any warrants issued and/or options written by the relevant Fund or Class of Shares; and
- (viii) any other liability of the type referred to in Article 2.04 hereof.

15.04 Without prejudice to Article 25.02 hereof the Directors may delegate any of their powers, authorities and discretions in relation to the determination of the value of any Investment to the Manager, a committee of the Directors or to any other duly authorised person and may delegate the calculation of Net Asset Value in accordance with the Central Bank Requirements. In the absence of negligence, fraud or wilful default every decision taken by the Directors or any committee of the Directors or by the Manager or any duly authorised person on behalf of the Company in determining the value of any Investment or calculating the Net Asset Value shall be final and binding on the Company and on present, past or future Shareholders.

16.00 TRANSFER AND TRANSMISSION OF SHARES

16.01 The transfer of Shares shall be effected in such denomination as the Directors may from time to time decide in accordance with the following provisions.

16.02 No transfer of Non-Participating Shares may be effected without the prior written consent of the Company.

16.03 (a) The transfer of Shares may be effected in writing in any usual or common form, signed by or on behalf of the transferor and every transfer shall state the full name and address of the transferor and transferee.

(b) The Directors may from time to time specify a fee for the registration of instruments of transfer provided that the maximum fee may not exceed [5% of the Net Asset Value of the Shares the subject matter of the transfer on the Dealing Day immediately preceding the date of the transfer] and which may be retained for the sole use and benefit of the Company or the Manager or the Distributor as the Directors in their absolute discretion may determine.

- 16.04 The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- 16.05 (a) The Directors may decline to register any transfer of a Share if:
- (i) in consequence of such transfer the transferor or the transferee would hold a number of Shares less than the Minimum Holding;
 - (ii) all applicable taxes and/or stamp duties have not been paid in respect of the instrument of transfer;

- (i) the number of additional Shares (including any fractional entitlement) to be issued in lieu of any amount of dividend shall be as nearly as possible equal in value to but not in excess of the amount of such dividend at the date of issue of such additional Shares;

- (ii) for such purpose the Directors shall capitalise a sum equal to the aggregate value of dividends in respect of which additional Shares are proposed to be issued and apply the same in paying up in full the appropriate number of additional Shares for issue to the relevant Shareholders credited as fully paid up;

 - (v) the Directors may on any occasion determine that Shares in lieu of dividends shall not be issued to a Shareholder with a registered address in any territory in which, in the absence of a registration statement or other special formalities, the issue of additional Shares would or might be unlawful and in such event the provisions aforesaid shall be read and construed subject to such determination.

(b) Where the amount of any dividend payable to an individual Shareholder would be less than ten euros (or its foreign equivalent), the Directors in their sole discretion may determine not to pay any such dividend and instead issue and credit to the account of the relevant Shareholder such number of Shares in the relevant Fund or Class as are as nearly as possible equal in value to but not in excess of the amount of such dividends. Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in the acquisition of such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

- 31.15 If the Company is required to deduct, withhold or account for tax including any penalties and interest thereon upon the payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors may arrange for the deduction from the proceeds due to be paid of a cash amount equal to the liability or in their discretion in accordance with Article 10 hereof the compulsory redemption and cancellation of such number of Shares of such Shareholder as is sufficient to discharge any such liability and the relevant Shareholder shall indemnify the Company against any loss suffered by it in connection with any obligation or liability to so deduct, withhold or account.

- 32.01 The Company in general meeting may resolve, upon the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any Shares with a preferential right to dividend amongst the Shareholders who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full

unissued Shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Shareholders in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

32.02 Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in applying up in full unissued shares to be allotted as fully paid bonus shares to those Shareholders of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

32.03 Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise in the case of Shares becoming distributable in fractions and to authorise any person to enter on behalf of all the Shareholders entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further Shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing Shares, and any agreement made under such authority shall be effective and binding on all such Shareholders.

33.02 The capital sum payable pursuant to Article 33.01 above shall be an amount equal to the Equalisation Payment paid or deemed to be paid on the issue of a Share or if the Directors so think fit, a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account at the date to which the relevant dividend relates, by the number of Shares in respect of which such capital sums are payable and in so doing such Shares may be divided into two or more groups issued within different periods as may be selected by the Directors in any one accounting period so that the capital sum payable on each Share in each such group shall be a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account in respect of the Shares of each such group by the number of Shares in such group provided that in no circumstances shall the capital sum payable in respect of any one Share pursuant to this paragraph exceed the amount of the dividend declared on such Share.

33.03 Any capital sums repaid to a Shareholder in accordance with the provisions of this Article shall release the Company from any liability to repay to such Shareholder the Equalisation Payment paid, and such Shareholder shall accept any such capital sum in full and final satisfaction of any Equalisation Payment otherwise payable.
