LEVERAGING OPERATING PROFIT

This presentation has been prepared by Banco Popular solely for purposes of information. It may contain estimates and forecasts with respect to the future development of the business and to the financial results of the Banco Popular Group, which stem from the expectations of the Banco Popular Group and which, by their very nature, are exposed to factors, risks and circumstances that could affect the financial results in such a way that they might not coincide with such estimates and forecasts. These factors include, but are not restricted to, (i) changes in interest rates, exchange rates or any other financial variable, both on the domestic as well as on the international securities markets, (ii) the economic, political, social or regulatory situation, and (iii) competitive pressures. In the event that such factors or other similar factors were to cause the financial results to differ from the estimates and forecasts contained in this presentation, or were to bring about changes in the strategy of the Banco Popular Group, Banco Popular does not undertake to publicly revise the content of this presentation.

This presentation contains summarised information and may contain unaudited information. In no case shall its content constitute an offer, invitation or recommendation to subscribe or acquire any security whatsoever, nor is it intended to serve as a basis for any contract or commitment whatsoever.
