Warning regarding the activities of an entity named CryptoCapitalProfits

The Commission de Surveillance du Secteur Financier (CSSF) warns the public of the website <https://cryptocapitalprofits.com/> and of unknown persons presenting themselves under the name “CryptoCapitalProfits” by proposing investment services. In doing so, they fraudulently use the name of the CSSF by pretending that the invested funds are blocked by the CSSF which would require payment of additional fees to unblock them.

The CSSF informs the public that an entity named “CryptoCapitalProfits” is unknown to it, that it is not supervised by the CSSF and that it has not been granted any authorisation to provide investment services or other financial services in or from Luxembourg.
