Today, May 3rd 2011, Solaria Stalldorf GmbH (a wholly-owned subsidiary of Solaria Energía y Medio Ambiente, S.A.) has signed a EUR 12.7 mln credit facility with Deutsche Kreditbank Aktiengesellschaft for the financing of its 6.36 MWp photovoltaic plant in Stalldorf (Germany). This move reinforces the German solar market as a key destination of Solaria's investments planned for 2011.
